OUR KEYNOTE:

"If There is Not A Way, Cut A Way"

The Lindbergh Tragedy

THE most shocking tragedy in American history since the dust. A the assassination of President McKinley, 31 years ago, is the ruthless murder of the Lindbergh baby, by the fiends who stole the infant from its crib and, apparently, killed the little boy and hid his body in the woods when they found themselves pursued.

We can imagine no crime worse than this. Nothing could be more shocking, nothing could so move the hearts of the whole world to pity for the little one whose life had hardly begun, to tearful sympathy with |" his beloved young parents and to stern and righteous!" anger at the perpetrators of this foul deed.

young wife, Anne, we can only say that we know that we speak for every one of our readers in trying inade- ' quately to express our heartfelt sympathy. We know that they will bear up bravely, for both of them have proved that they are of the stuff of which heroes are made. It is the very irony of fate that to them, who merited nothing but happiness, should have occurred tragedy so awful that for the rest of their lives they | must live in its shadow. There is, perhaps, a small! will not long be empty, but the memory of their murdered firstborn will tug forever at their heartstrings.

in these United States of America. This murder of a child is the crowning climax of the wave of lawlessness, | ' of unpunished and reckless crime which has been sweeping over our country in a swelling flood since put an end once and for all to wholesale lawlessness | and immunity for criminals. It is a simple statement of fact that the responsi-

bility for the kidnaping and murder of the Lindbergh everything American from our foreign policy and our first two years.
