F. Vanama Jones Gains In Treasurer Race on Eve of County Rally

Those active in the campaign of F. Vanama Jones, candidate for the Republican nomination for County Treasurer, report that real progress is apparent in every section of the county. "Everywhere voters seem to be impressed with the necessity of electing to this important office, a business man whose experience far exceeds his years," declares a well known Republican who has observed the campaign closely in its early stages. "They recognize in Mr. Jones a man whose youthful vigor and ability assure years of economi- cal and worthwhile service to the taxpayers. This week Mr. Jones is laying his record as a successful business man, a public official—and a taxpayer before the committee members who will attend the Republican confer- ence at Belmont, June 24. In his advertisement in the News he in- vites all his friends to inform the Republican committee members that they favor his nomination for County Treasurer. Mr. Jones was born in Allegany county in 1896 and has built up a highly successful business at Friend- ship. He served in France with the American Expeditionary Forces and now holds a public office in Friendship. "As County Treasurer I will ap- ply the same ability and efficiency and extend to everyone the same courteous consideration that I have exerted in making my own business enterprise a success," Mr. Jones declares. "I will establish the office at Belmont, where other business of the county is conducted."
