

The Most Important Part of Your Dollar!

—is the part you save. You can live with the part you spend, while you have it to spend, but you can't get far ahead.

Make your life show you a profit. Take out that most important part of your dollar first, every week or month—and save it.

Notice to Tractor Owners

Notwithstanding that there is a Village Ordinance prohibiting tractors with lugs on from traversing the improved village streets, some miscreant traveled the length of the newly surfaced Rochambeau Avenue, Saturday with a tractor with lugs on. The Village Board are out looking for the gentleman who violated this ordinance.

A British official of East Africa says that African medicine men linked the mosquito with malaria when European scientists still believed the disease due to inhaling gases from swampy lands.

BAKERS' STORE NEWS

Published by Baker Bros. Hardware, Andover, N. Y.

Maid: "While you were gone, ma'am, your little Willie swallowed a bug, but don't worry. I had him take an insect powder."

"Can you type?"
"Well, I use the Columbus system."
"What's that?"
"I discover a key than land on it."

The Liquor Question

Seems to be a matter that may be handled by each community thru a Village Ordinance, so if we really wish to outlaw booze in Andover tell your Village Board to pass the law and enforce it. If they don't work to suit you there is a way out: elect a new one.

In the meantime we have caps for the catsup bottles, spigots for the vinegar keg, rubber tubing for the hot plate, and bulb syphons to put water in the battery on your car. And we sell them in any quantity at the right price.

Summer Cuts

Infection from cuts and bruises is more likely in hot weather, attend them quickly, keep a bottle of Peroxide, a roll of Absorbent Cotton, a vial of Merurochrome and a jar of Petroleum Jelly in easy reach. We offer the four for 25c.

Krazy Kat

Is a nice tablet for the young folks who wish to start the school year right.
They are two for a nickel. The Scripto 10 cent Automatic Pencil in its new dress looks like a quarter value.
We have a lot of mighty attractive supplies for all those young people whose job for the next nine months is the pursuit of knowledge.

The Question of Wages

An over supply of any commodity will always cause that product, be it food stuff, merchandise or labor, to be sold in the market at a ruinous price.
These days there is a large surplus of labor and many concerns are taking advantage of this situation and grinding their help down to starvation wages; this is particularly true at this time in the canning industry. Some firms whose names are well known to the public will
