There May Be a Difference

Some people believe this way and some people that way, but all will admit that selling an idea is usually more difficult than selling a commodity—and especially is it easier in selling the commodity, if advantage is taken of the modern, the economical and the quickest method. That method is in the use of advertising space in the Andover News. Whether you are a merchant or a citizen, when you want to buy or sell, trade or lease, rent or find a commodity, read and use the advertising columns and let people know of your needs or offerings.

IF YOU WANT TO SELL:

A home, a horse, a cow. An automobile, a farm. A bicycle, a gun, a dog. A baby buggy, a canary. Timber, poultry products.

IF YOU WANT TO BUY: Clothes, hats, shoes.

Homes, automobiles, radio. Eye-glasses, watches, gloves. Stoves, furnaces, fuel. Foods, drinks, supplies.
