The juices of spiced and pickled fruits may be used for basting roasts; many prefer the spiced juices with baked ham or tongue. Stretch the stained piece of fabric over embroidery hoops when boiling water is to be poured thru, and avoid scalded hands. A well-made bed not only improves the appearance of the room but is an aid to restful sleep. Have the sheets long enough so that the lower sheet can be tucked in firmly at the top and the upper sheet tucked in at the foot of the bed. This minimized wrinkling in the night. **IT WOULD BE MUCH EASIER KEEPING THE WOLF FROM THE DOOR IF WE COULD KEEP THE BEAR FROM THE MARKET.**
