It Will Set New Selling Records!

For the past six weeks we have concentrated all of our efforts and energy towards the re-opening of this new and greater store. The result is a store worthy of Allegany County—and worthy of the name Higgins—a name which has represented honorable merchandising for the past forty years.

How Can We Best Celebrate?

We feel that the very best way to celebrate the re-opening of this Greater Store is by offering the new fashionable things of standard quality at prices far below normal—not only Saturday but all next week the celebration will continue.

New Merchandise

Every piece of merchandise in the store is Brand New. You will see no old or shop-worn merchandise here. The service will be quick, understanding and pleasant.

ITEMS LISTED ARE MERELY TYPICAL OF HUNDREDS THROUGHOUT THE STORE:
