Gift giving is another happy feature of Christmas —the opportunity to make the day a happy one for someone else. Present conditions will naturally curtail regardless of present agitation, preparation or predictive leaves and then store the pots tent, for none of us can be as extravagant as in other years. However, it isn't what you give but the spirit in which it is given. Remember, the most trifling gift whenever he feels like it. can be just as significant as a costly one. Above all things, those who are more fortunate should bend every effort toward sharing with the unfortunate that their Christmas may be a happy one, too. There is! more opportunity for the real Christmas spirit to shine forth this year than ever before.

So, if you have caught the real vision of Christmas—that it is a day of reverence to the Almighty for WE NEED the benefit of the sun not, only that we the great Messiah whom He gave us-that it is a day IV may see and keep warm, but that we may retain of Peace on Earth and Good Will Toward Men-that it our good health. is particularly a time when we should remember, it is indeed he a hapty Christmas regardless of everything red or heat rays, visible and ultraviolet rays.
