Double the electricity costs Mrs. B. only a few cents more a day

When Mrs. B. was first married, the only electrical conveniences she had were lights, a flat iron and toaster. Her elèctric bills averaged a couple of dollars a month. One by one, in the past few years, she has acquired more household helps-first an electric washerthen a radio, percolator, vacuum cleaner, kitchen mixer and refrigerator. Yet a check-up of recent electric bills reveals that she's paying only a few cents a day more for all this extra relief from household drudgery. Cheaper electricity has brought

these conveniences within reach of many families. Your electricity is your biggest bargain. The more you use, the bigger bargain it is!

A New Ford V-8 That Brings New Beauty, New Safety, and a New Kind of Riding Comfort Within Reach of Millions of People

ease of handling. You can take curves

with greater safety. There are many new features in the Ford V-8 for 1935 which make the car still easier to drive. New brakes give more power for stopping quickly with far less foot pressure on the pedal.

A new type of easy-pressure clutch employs centrifugal force to increase efficiency at higher speeds. New steering mechanism makes the car still easier to handle. New, wider, roomier seats. The New Ford V-8 for 1935 retains the V-8 engine which has demonstrated its

dependability and economy in the ser-

vice of more than a million owners.

basic design. You buy premium performance when you buy this Ford V-8-full 85 horsepower and capable of 80 miles on hour. All Ford V-8 cars for 1935 come equipped with Safety Glass throughou at no additional cost.

We invite you to see this New Ford V-8 for 1935 at the showrooms of Ford dealers. You will want to ride in itto drive it yourself. You will find it a new experience in motoring.

FORD V-8 PRICES ARE LOW
