

February 12th 1809

To Abrahaı

To Abraham Lincoln, born in a rude little cabin on February 12th, 1809, brought up in the hard school of the Kentucky pioneers, self-educated, a character of whom the whole world is proud, we pay tribute. His famous honesty, his truly great humanity and his many sterling characteristics remain to us high standards of fineness to which we may strive to attain. In honor of Lincoln's birthday, our doors will be closed all day Tuesday, February 12th.
