

ON GOING AHEAD

IUST as the railroads turned to the new streamlined, high speed trains to afford travelers the utmost in service so must a bank recognize its responsibility to its depositors and patrons by making available a financial service which meets all of the requirements of the day.

This institution offers its customers every phase of banking service that is consistent with sound business dealing. It solicits your patronage and invites you to avail yourself of a modern banking service which includes deposits, saving accounts, checking accounts, safety deposits, industrial and commercial banking.
