Edwin Alderson What would you do in case of al war? Would you go? It has been

shown recently thru the medium of . "straw votes" that the majority of people would go to war only in case the United States was invaded by some other country. Some said that! Name they would spend two years in Howard McArdicw Leavenworth rather than go to war. Bruce McGill In case of a war within the next Ray Briggs ten years, practically every boy in John Cannon high school and also in the seventh Leo Fulkerson and eighth grades would be drafted Edwin Kemp into military service. So you see Edwin Alderson that this concerns you as much or Donald Joyce even more than your elders so it Denald Lynch would be worth your while to decide hith a thing. what you would do in case of war l Remember, it concerns you greatly ,
