Easter—Means Eggs
What Easter breakfast would be complete without eggs?
In order to make them at their very best, they must be properly cooked.
We have all the necessary cooking utensils for such a job; skillets, fry pans, etc. If you eat toast with your eggs, we can also supply you with toasters in electric or wire, at prices to suit the customer.
Wallpaper Cleaner
Brighten up that smoky-soiled paper with Cleveland Wallpaper Cleaner. It is economical to use and insures a neat job. Solve your papering problems by cleaning the old paper with Cleveland Cleaner. Price 10c per can.
Double X Floor Cleaner
Double X Floor Cleaner is a double action compound that cleans and bleaches at the same time, and does not raise the grain. It not only cleans wax and dirt from floors, linoleum and tile, but, in strong solution removes shellac and varnish, leaving the surface clean, smooth and bleached, ready for re-finish. A weaker solution is good for washing painted surfaces. Try a package of Double X and be convinced of its value for all types of cleaning.
Razor Deal
We have a few Gem-Everyready and Gillette Razors from \$5 outfits. We are selling these while they last. A razor with four blades and a tube of shaving cream for 39c.

Filling Holes
Plastered walls are not bomb proof; they crack and fall, leaving ragged holes which may only be mended by a substance made for that purpose.
This need is supplied with Rutland Patching Plaster, a product that may be used by anyone, no special tools are needed to insure a good smooth job, level with adjoining surface and no cracks around the edges.
When freshly mixed it is as easily handled as putty—when dry it is as hard as cement.
Packaged to suit your needs and the left-over will keep until again needed.
Jiffy Paste
The season for papering is here! Why go to all the bother of making flour paste when Jiffy Prepared Paste will solve the problem easily. Two pound bags 30c; five pound bags, 75c.

Why don't you plan now, make up your list and let us have your order? Leonard Seeds in bulk cost less but produce more. We also carry Vigoro—the best plant food on the market. Try a small package on your house plants or buy it in larger sizes for garden use.
Does It Leak?
