A GREAT WIFE if she doesn't WEAKEN!

WASH TO DO
RUGS TO BEAT
STOVE TO TEND
IRONING TO DO

UP with the birds and at it till after dark . . . cooking, scrubbing, cleaning, playing with the children! It's a wonder that more good wives and mothers don't weaken, sooner. Cheap electricity won't tend the baby, but it will handle lots of other hard-to-do jobs. And all for a few pennies a day.

Moral: Let low cost electricity do your work. You'll never miss the little bit it costs. You'll stay younger because of its help!
