Baker's Hardware News

Growing Days
You have probably already said to yourself "I shall grow more of this or that next season"—so why not complete your garden layout and arrange your order for seeds right now, while stocks are complete and prices low.

We order bulk garden seeds a year ahead of delivery, because in that way we get the pick of the crop and obtain the lowest prices any time during the 12 months. Those who buy garden seeds in the season when seeded get the odds and ends and those of a quality not good enough to fill the orders of contract buyers.

We have sold Leonard's Bulk Garden Seeds for many years, they are dependable growers and all the time experimenting to improve varieties. Being leaders in this endeavor, their customers are always sure of the very latest and best productions.

No matter where you have been buying garden seeds, you have not had the best in all lines, unless you have planted some things from Leonard's.

Our seeds are in stock, bought at prices that average below today's current quotations. You may supply your needs with highest quality product at no more than you will pay elsewhere for common market grades.

Come in and make your selections and grow a garden that will give you complete satisfaction, and one which will be the envy of your neighbors.

It is squarely up to every citizen as to what progress their town will make.

Rose Bushes
The time to plant roses in your yard and garden will soon be at hand. We have purchased a shipment of hardy field grown roses of the highest quality, including the newer and better ever-blooming varieties. Nothing brightens up your grounds more than rose plantings and in order to get the assortment you desire, come in at once, and make your selections. Two-year-old plants, 39c. Also prunes, triloba and Japanese quince at 29c.

Onion Sets
Do you know yours? If you stick your patch with Leonard's Ebenezer Onion Sets you will find yourself with the largest crop of the nicest fruit in the onion line that your garden has ever produced.

That goes for green onions and for your winter supply—but you must see for yourself. When you give these Leonard's Ebenezer's a chance to show what they can do, you will have something to brag about.

Sets or Seed, we have both and the prices are low—Sets 20c lb.

Harness Repair Time
Is your harness ready for spring work? If not, you will lose time some day when you ought to be sowing oats.

Look it over, and put in that extra rivet, hame strap and extra snap so you will be ready for work when the time arrives. Also a good oiling will help preserve it.

"No," said the centipede crossing her legs, "a hundred times, No."
