Ants
Do they get into your house and upboards? If so, just put one or two Ant Buttons where these little fellows travel and they will soon disappear. A poisonous preparation they like so it is no trouble to get them to eat it.

Birds
Are the birds living around your home this year? We have heard many people say that there seems to be more birds this summer than in many years. Just place a bird bath out on the lawn or in the back yard and watch the birds use it.

Flower Wire Guards
If you wish to protect that choice shrub or tree, put a wire protector around it. We have this material in plain and scalloped top, made of galvanized wire to last a lifetime. Come in and tell us your needs and we will give you prices in any size you wish.

Blue Blades
Best for most beards and no other blade at any price will cause your Gillette to deliver more smooth, clean easy shaves. Gillette Blades sell at a nickel each, and the average user should get at least three shaves for one cent. Try Gillette and be convinced.

LIBRARY NEWS

Col. T. E. Lawrence, the glamorous figure of Arabia and the World War, by his personality and knowledge, played a leading part in the history of Arabia against Turkey. Thrown into overpowering influence of the World War as an obscure figure on the war ministry, he emerged a master strategist, a divider of generals and a reviver of the map of the world by his deeds over the emburied sands of Arabia.

His untimely death was caused by injuries received in a motorcycle accident. To patrons who might be interested, we have in the library "REVOLT IN THE DESERT," by T. E. Lawrence, and "WITH LAWRENCE IN ARABIA," by Lowell Thomas.

National Velvet—Enid Bagnold. The story of a girl, Velvet Brown, whose passion in life was horses. That was all she cared about. When she won a notorious and unwanted piebald in a village lottery, she began to dream. Since the breathless inauguration of youth sees no obstacle as insuperable, Velvet's thots turned to the greatest race in the world—Grand National, and because faith if it's strong enough sometimes works miracles, Velvet's dream came true.

The Mark of Cain—Harriet Comstock. In this tender romance of the North woods, the author tells how the shadow of a lie lay across a great love until it was cleared away by an absorbing series of events. A clear-cut poignant story of the human heart.
