JUST 15 WOMEN CAN HAVE A \$135.00 ROPER RANGE FOR ONLY \$109.50

THE REASON—When the factory got into production on the new 1935 design there were a few 1934 models left. We bought 15 of them at a very special price and can offer these 15 ranges only to the first 15 women who are lucky enough to get their orders in on time. The difference between the 1934 and the 1935 models is mostly in color trim and base design. You

are really getting a range that only a few short weeks ago sold for \$135.00 and you are getting it for only \$109.50. NEVER BEFORE HAVE WE HAD SUCH AN OPPORTUNITY AND WE MAY NEVER HAVE IT AGAIN. This offer is possible only because a few of the 1934 model ranges were in the factory

warehouse and had to be disposed of at once to make room for the 1935 ranges. Women who are familiar with the ROPER range and who know that there is no other range of any kind to compare with it will realize what a wonderful opportunity this is. If you are not familiar with the ROPER, if you have not seen the 1934 or 1935 models, please come in and look them over. If you do not wish to buy come anyway. We are always glad to see you. It will only take you a few minutes to inspect the ROPER and then you will know why we say "There are many

GAB ranges but only one ROPER." A REAL BARGAIN -- AMERICA'S FINEST GAS RANGE AT A SAVING TO YOU OF \$25.50
