Kicking Gentleman

Kind Old Squire: "Bless my soul, Mirandy, where did you get that awful bruise on your cheek?" Mirandy: "We-all had a pahty las' evenin', an Ah was kicked in the face by a gentleman friend."

Stainless Kitchen Ware

Sharp carving knives of different sizes are needed for the various meats and vegetables. A sharp-pointed knife which is known as the French pattern, about nine inches long, is the best utensil for carving joints of meats and poultry. It is sound economy to buy knives of the best grade of Stainless Steel, for they should be ground as often as is necessary, and a good Steel should be part of the kitchen equipment.

For economy in vegetable preparation where a handy knife, especially useful in paring potatoes, carrots or any thin skinned vegetable or fruit such as apples, etc. Once you use this knife you could never be without one, for it saves waste and time in preparation, and avoids all chances of cuts on the housewife's hands.

Our line of Stainless Steel Kitchen Ware is moderately priced and is guaranteed to give excellent service.
