THE SUCCESS THAT HAS BEEN ATTAINED

The success that has been attained so far this week seems to keep most of the students in a happy mood. Most of the Regents and school examinations have been of a difficult type. However, almost everyone has passed with flying colors.

To many of the Seniors, the outcome of the various Regents and exams decides whether they will be included in the graduating class. To many of the pupils of the Andover High School this means an adieu to high school days, but to many of the others it means a short vacation and then a resumption of their studies.

THE SPOTLIGHT !!

Well folks, almost everyone has been studying hard this week so your old friend hasn't been able to find much news.

However, I wonder if Mary Mc. had a good time Saturday night? Who is going to win the V-8 convertible coupe now, Rita D. or Marilla?

I wonder how Enola likes riding on top of cars? It must be fun. Enola also has a fancy for Canisteo class rings.

I suppose that in a very short time Eleanor will be living in her new home.

We wonder if some guy from Belmont is competing with Anna's Canisteo friend?

I saw Ivar Lee with her Mr. K. from Belmont Sunday night. Isn't he getting to be quite a frequent caller?

I see Rita Burns was out with one of her old friends Friday night. Who did I see strolling the streets last Friday night? None other than Alyse and Don L.

So Lawrence Padden and Helen finally broke up. Who is the girl from Wellsville, Pat?

Oh, has Ida Mae lost her friend who drives the Chevrolet? Is it that one of his old gal friends has won him back?

Oh, Carolyn! Out with Milton again, eh?

Beatrice, did you finally get Rolin to go for a walk with you Saturday night?

I wonder what has happened to the Chevy coupe from Alfred that used to be seen in Andover about twice a week.

Did you have a good time Saturday night, Charlotte, with Phil?

I wonder where Jack Regan's wrist watch has been the last few days. Surely, you wouldn't let a Sophomore girl wear it, Jack.

Which one do you like best, Marilla, Walt or Bob?

Oh, Dorothy, are you going to attend Harry's graduation Tuesday night?

Well, so long until next week, friends when I will have the last of my "Hi Herald" for you of this school.

Adieu,
THE SPOTLIGHT
