John P. Herrick Looking Over New Oil Fields

On his way to California, John P. PRESBYTERIAN Herrick of Olean met his son, Paul 'at Laramie, Wyoming, yesterday. Rev. R. E. Dronsfield, Pastor Tregether they will spend two weeks "A Month of Messages in Men" in visiting the new oil fields of

Years ago I always done all my several worship services to the study at Medicie Bow where a well that heating (including the hot water of the messages seen in the lives of showed for 6,1000 barrels of 61 tank) with gas and got by in fairly some great and some ungreat char gravity oil and \$1,000,000 feet of good shape, but in the past few acters in the Rible story. Everyone gas was recently completed. Two years I've had a whale of a time to is welcome to begin this. Sinday new wells are drilling on the struceven keep the hot water tank pring and hear the stories of these men ture of about 7,000 acres, jointly and he able to pay the hill at the thru to the end of the month. This held under lease by Thin Oil Co., and Standard Oil of California Morning Worshin, 10 30 o'el ek, Relivar Brosse
