VOTE for Ward M. Hopkins for County Judge, Surrogate

(No. 3 on Republican ballot)

Your support of Mr. Hopkins for the office of County Judge and Surrogate and Judge of Children's Court at the polls next Tuesday, Sept. 17, will assure the county of honest, conscientious, capable and sympathetic conduct of the office.
Mr. Hopkins presents himself to the Republican voters of Allegany County as a 100 per cent Republican who has served the county for the past six years as District Attorney, the logical proving ground and stepping stone to the position he seeks.
In his private law practice, Mr. Hopkins has been highly successful and has built up a large clientele. He has specialized in Surrogate Court work for some years.

The problems of youth have given an avocation to Mr. Hopkins for a long period, during which thru many means he has endeavored to show thousands of youngsters that crime does not pay. In Children's Court hundreds of cases of unfortunates, both adult and minor, pass before the bar of justice. His understanding of the problems of conduct of the common man's home, his family relations and the problems of youth make him the best fitted man in Allegany County to handle this type of work.
