EDITORIAL PHYSICAL EDUCATION

Physical education helps to build up characters of two kinds, physical and mental. It gives one a sense of fair play. If one cheats or doesn't play fair, immediately the people start quarreling. Fair play is needed not only in games but in life. Physically, gym, as it is usually called, helps to build stronger muscles of the back, arms, legs and other essential parts of our body.

EDITORIAL SUCCESS

Do you want to be successful? If you do, you will have to work hard to accomplish your goal in life. You will have to be successful in school before you can be successful in later years. One way of knowing whether you can be successful in school or not is to do all of your assignments by yourself, unless help is really needed.

LITERARY CLUB FORMED

The English IV. Class this year has been organized as a literary club, which meets every day the fifth period in the library. The officers are: Veronica O'Hagan, chairman. Dorothy Nobles, secy. and treas. Frank Weinbauer, chairman of magazine committee.

BOYS' CHORUS FORMED

Following a meeting of boys interested in forming a boys' high school chorus, Monday afternoon, it was decided that such an organization could be formed. The chorus will be built around the group of boys who sang in the junior high chorus last year.

SUPPOSIN'

Clyde K. would stay away from Alfred during the summer months? Charlotte Cook didn't like to go on weiner roasts? Doris Honeger would fall for one of our P. G.'s, for instance, James Lynch? They are both studious. John Cannon wasn't in the fifth period S. H.?

BOE ZECKELY COLUMN

Dearest Boe: I am so in trouble about a boy I like. He doesn't pay much attention to me, but he does to other girls. He doesn't go to school and he is a nice looking young boy. He is very neat and is a good athlete. He graduated last year from Andover High School. How can I win his affection? Broken-hearted, MARJORIE.

EIGHT NEW TEACHERS IN ANDOVER SCHOOL

The faculty list of Andover High School this year reveals eight new names. Upon interviewing those teachers the following information was secured concerning them: Miss Marjorie Ellis, first grade teacher, was graduated last June from Genesee Normal, where she took special work in kindergarten and primary courses. While in normal she was managing editor of the Lamron. Her home is in Rochester.

Miss Esther Knapp, third grade teacher, lives at Rushville, N. Y., and was graduated last June from the primary course of Genesee Normal. Prior to attending normal, Miss Knapp taught a rural school near her home.

Miss Cecelia O'Connell is an alumnae of Andover High School and a graduate of Alfred University. She teaches the social science work in high school.

Miss Mary Lou Day comes from Tulsa, Okla., and is a graduate of Alfred University, specializing in English. She has also taken work in Dramatics in Ithaca College.

Miss Georgianna DeWitt has charge of the art work of the school and divides her time between Andover and Alfred. She is a 1935 graduate of Alfred School of Ceramics and her home is Alfred.

HI HERALD MEETING

The first Hi Herald meeting for this year was held Thursday afternoon at 4 o'clock, under the direction of Miss Day. Don Edwards was elected chairman of the meeting; Bruce McGill was acting secretary. Many important matters were discussed.

It was decided that Editors, Assistant Editors, Sports Editors and Editors for Humor be elected for three weeks with different editors each week. At the end of this time the editors who have done the best work will be appointed for the first half of the school year.

Editor-in-Chief, Dorothy Nobles; assistant editor, Charlotte Cook; sports editor, Beatrice Kruger; editor of humor, Regina Lynch.

Editor-in-Chief, Roberta Chalmers; assistant editor, Carolyn Dolan; sports editor, Jessamine Briggs; editor of humor, June Babcock.

The Sophomore Class held its annual election of officers in Room A at 1 o'clock Tuesday afternoon with Beatrice Kruger and Ruth Lynch in charge of the meeting.

The election resulted as follows: President, Beatrice A. Kruger. Vice President, Charles Burgett. Secretary and Treasurer, Charlotte Cook.

At a meeting Tuesday afternoon of high school boys interested in learning about the game of soccer, Coach Crozier of Friendship High School, explained the principal features of the game.

The Eighth Grade held a weiner roast Monday afternoon at Stearns' Gully. After eating games were fully enjoyed by everyone.

Mary McAndrew: "My little sister has just swallowed a ten dollar gold piece." G. Dean: "Gracious, is the child in danger?"

Mary: "No, thank goodness, my brother Joe is out of town." Bruce McGill was visiting in New York City and threw a nickel towards the blind man's cup.

B. K.: "Yes, and just when there was nearly enough for the new hat I wanted."

We wonder if Jessamine Briggs and Marian Nobles had a delightful time Sunday evening. Was it more of Canisteo, girls? Dick Appier surely is missed in school this year. Just ask Fern Holroyd!

Say, Joe McAndrew, what's the attraction in Wellsville--and is she a blonde or brunette? Marion Lever exclaimed recently, "I was out with St. Bonnie fellows last night." What's the matter with Bob, Marion?

Why is it that the Elm Valley fellows don't come to Andover any more? You know, boys, we have a theatre up here now. I see Ruby Swarts wasn't in school Monday. Do you suppose she could have been escorting Dick to the train?

Well, Don L., what's this we hear? Florence is a nice girl, we must admit. Did the eighth graders appreciate their weiner roast Monday evening? We hear that they had a "big time."

It seems that everyone must have celebrated last Sunday evening. Who did we hear you were with, Joe Baker? Fotiney seems to enjoy working in the store. Quite a break, isn't it, Fotiney?

It's too bad her father interfered just when you had the weiner roast all planned, wasn't it, Johnny K.? We hear Dorothy Fosmer has two dates for Sunday night. Don't make Ken go to the show alone.

So Bernice Cooper went to a birthday party Friday night. Did everyone enjoy themselves as much as you did? George Joyce certainly believes in enjoying himself and especially in History A Class.

Let this very unfortunate accident be a lesson to those who rush thru the halls is if they were shot from a cannon. Hereafter, the Freshmen and other underclassmen are asked to be more careful and considerate of teachers and other pupils who are passing thru halls and into classrooms.

Following this advice will assure them of living to the ripe age of being Seniors. Signed, —B. Sly and R. Church —A-H-S— JUNIOR CLASS HOLDS ELECTION

The Junior Class held a meeting in their home room last Monday at which they elected their class officers as follows: Bruce McGill, president. Vice president, Edwin Kemp. Secretary, Ruth Ianson. Treasurer, Maxine Crandall.

Answer to last week, Joe McAndrew. If you were to look the Senior room over you would see a girl who readily would make a favorable impression. Her brown hair is wavy and her eyes match her hair.

THIS WEEK IN ALBANY Albany, Sept. 18.—Virtually every county in New York State has named its delegates to the giant mass meeting of the Union of Democratic Clubs, Sept. 21, at Endicott, leaders said today.

Reports from every section lead those in charge of the affair to believe that it will be the most important rally conducted in the state in recent years. It will serve as the opening of the major drive for continued Democratic control of the State.

The delegates will hear talks from Governor Lehman, Postmaster-General James A. Farley and other party leaders. The meeting will be well sprinkled with entertainment. J. Fred Coots, chairman of the entertainment committee, wrote President Roosevelt's 1932 campaign song in conjunction with Eddie Dowling.

Chairman Eaton: "I have made more than 60 speeches and the Democrats are afraid to answer me." (Governor Lehman and Speaker Steingut deliver talks at Democratic meetings stating that the record of the 1935 Democratic Legislature was the most successful in years.)

Chairman Eaton: "I made sixty speeches so the Democrats are afraid not to answer me." Act 2 Chairman Eaton: "Governor Lehman and the Democratic legislators are insincere, incompetent, etc."

Speaker Steingut: "The Republican state chairman should campaign on the issues and refrain from name-slinging." Chairman Eaton: "If the Democrats want mudslinging we will give it to them. Watch out for our next sixty speeches."

Governor Lehman made it clear this week that as long as the milk control law is upon the statute books it will be enforced. The Governor took that stand during a conference with a group of independent milk producers who called at the Capitol to urge a special session of the Legislature to effect repeal of the law.

After the meeting, Governor Lehman said: "I explained that in the first place I believed that no effective result would be attained thru an extraordinary session. In the second place, I stated I felt that a majority of the dairymen of the state were not in favor of repeal; and above all, that I was convinced that repeal at this time would lead to an immediate breakdown of prices and thus seriously injure the great body of New York State milk producers."

If there was any doubt concerning labor's stand in the approaching Assembly election, it has been eliminated by George Meany, president of the New York State Federation of Labor. Mr. Meany issued a statement urging labor representatives to attend the Endicott meeting September 21st in large numbers.
