The drain, so that it may be deluged with

Speculation is ripe as to what will happen to the a widespread and powerful organization can be carried thy than those of any other nation, however. on by the lieutenants of Long. However, it seems obvious that the entire set-up revolved around the forcefulness and domination of the decedent. No principles will to rule were in evidence. He ruled because he was studied and analyzed, the natural conclusion will powerful and his followers did as he bid them. It will be to lay most of them at the feet of the road hog. character develops in Louisiana or any other state.

Hay Fever Causes

I ONG ago physicians learned that hay fever is no various victims are affected by various substances. Ragweed pollen might affect one; another's distress i caused by feathers. Removing a feather pillow and substituting one padded with cotton has been known out warning—these and to give relief in cases of hay fever and asthma. Some !.. persons are affected by the pollen blowing from trees that blossom in early spring; others do not begin to

sneeze until late in summer.

Science has been able to determine the cause by son has a cold, the malady may be transmitted to some trouble is traced, not to one victim who presents the disease to another, but to face powder.

The base of many face powders is orris root, which affects the nasal membranes of some persons. The hogs—a vigilant, well-trained traffic patrol enforcing fact that orris root is in close proximity sometimes in-lup-to-date laws and unremitting educational efforts diduces sneezing even when there has been no demonstration of affection.

Some fellows who slice ham in restaurants probably got their experience by slicing cigarette papers out of calling cards.

Public Discussion

THE United States Commissioner of Education, John W. Studebaker, said the other day, that what America needs most is free and general public discussion, of public questions. We heartily agree with Mr. Stu-Entered as second-class mail matter, under act of town meeting discussion grew the idea of popular replanser questions about problems c Congress, at the Postoffice at Andover, New York. resentation in the Federal House of Representatives. farm and home.
