> Drink milk for a beautiful because it's rich in calcium

We have installed a new machine to clean and adjust Spark Plugs at the small sum of Five Cents Each-While You Wait! Did you know that you are wasting one gallon of gasoline out of every ten if the spark plugs of your car are dirty or worn? Also,

your engine loses power on hills and at high speeds. This is just another service to our customers. We invite you to drive in and take advantage of this important service. May we serve you.
