#### BOOKS

When you read books do you not let your imagination roam until you feel that you are really reliving the stories yourself? It is probable that most of us do and this is the only way to gain real enjoyment from reading.

It does not benefit one to read and never concentrate on what is being read. A person who does this could have read millions of books and still not be able to discuss one of them. On the other hand, a person can read one book thoroughly and gain more benefit than the former who has read millions.

We should choose a variety of books to read. A few novels are all right, but a book of plays, travel, biography or other non-fiction is just as important. Many of us think non-fiction books are not interesting, but if we read more of them we should probably change our mind. This type of book also greatly improves our knowledge. In any kind of a social gathering, it gives a very favorable impression for a person to be able to aptly discuss a recent book.

If we would give up a moving picture show or a dance a week and read a good book, we would be greatly benefited. So from now on let's have for our slogan: "Read more and better books."

#### THE BOOGIE MAN

Boo! I'm a big bad Boogie Man! If someone would say that to you, you'd say they were cracked as the Liberty Bell. At some of our basketball games last year there were actually people who gave a loud "Boo!" I don't know whether they were trying to scare the players or just what was the idea. Perhaps they thought they were brave, hiding in a crowd of people and saying such things to big strong basketball players. Or perhaps they thought the crowd admired them for their courage, or for their boldness. Regardless of their motives, they surely succeeded in breaking up a good spirit of sportsmanship.

Listen, you "yellers" whom this concerns, stop booing! It only turns the rosters for your own team against you. You're not brave and what's more, you're not even loyal to your team.

Now that basketball season is opened, and there will be a series of games, let's take heed and stop booing. I assure you that our basketball games will prove more successful. It is partly up to us whether or not we have a team that we'll be proud of, and a school spirit that visiting teams and rosters will admire.

#### SIGNS OF FALL!

Marian Swartz wearing a turtle neck sweater.  
Charlotte Cook wearing woolen socks.  
Clyde Kemp staying home nights by a warm fire.  
Carolyn Dolan wearing high top shoes.  
Eddie Kemp lighting matches to keep warm.  
Jean Ann wearing stockings.  
Lawrence Hyland not driving the car. (I guess he's afraid it'll freeze up.)  
Eddie Alderson's freckles leaving his face.  
Bruce McGill wearing two sweaters.  
Regina Lynch saying, "It was too cold out last night."  
Beatrice Kruger telling Jim: "Better come to the house tonight, because it's so cold."  
Henry Antan wearing twin sweaters.  
Ray Briggs wearing long handed underwear.  
Donald Hardy wearing "mitts."  
Farnum Pope's rosy cheeks.

#### PUPILS PARTICIPATE IN EASTERN STAR PROGRAM

Among those who took part in the program given Thursday evening of last week, in the Masonic Temple, were the following second grade pupils, who gave a group of songs and recitations:  
Barbara Lehman, Patricia Joyce, Ruth Hardq, Norma Steadman, Geraldine Lynch, Donald Northrup, Victor Clark, James Backus, Francis Houghtling.

They recited and sang "The Little Elf Man," and sang "Oh, My Spinning Top."  
The high school group was also represented by Regina Lynch, who gave a reading, "Beneath the Make-

## PERSONALITY AND DETAILS

### ESSENTIAL FACTORS IN GETTING A JOB

Mr. Ludwig Dale, of the Federal Commercial School of Hornell, spoke at the high school assembly Friday, Nov. 8th, on the topic, "Essentials of Business." Mr. Dale told what the employer looks for in an employee when he or she applied for a job. He stressed the fact that personality, neatness and attention to details were the factors that counted with the employer.

The assembly program was in keeping with the thought of Armistice Day. It was opened by the salute to the flag. Then the entire assembly sang "Columbia, Gem of the Ocean," "Keep the Home Fires Burning," and "The Star-Spangled Banner." Next Mr. Dale spoke and the program ended by the entire assembly singing "The Andover High School Song."

### GRADE BRIEFS

The pupils of the Second Grade have bought some new companions—gold fish. They were bought with the prize money earned at the Andover Grange Fair.

The Third graders have started for geography a new project on wool. They will learn to weave and each pupil will make their own design and color scheme.

Harold Perry is a new pupil in the Fifth Grade.

The following Fifth graders had 100 per cent in their ten week tests: History: Mary Elaine Baker, Warren Dolan and Martina Lynch. Spelling: Mary Elaine Baker, Marion Cronk, George Karcanes, Reta Nottingham and Dorothy Ellis.

### FAMOUS SAYINGS

Jean Anne Osbourne: "Good bye now."  
Clyde Kemp: "Har-har."  
Regina Lynch: "Greetings and salutations!"  
Ruth Ianson: "We'll make whoopee."

Charlotte Cook: "Well—?"  
Alan Tuttle: "Aw, now."  
John Baker: "Gol darn it!"  
Beatrice Kruger: "She would?"  
Henry Antan: "Oh you vicious man."

Jean Millsbaugh: "Oh, it's marvelous."  
Ida Howland: "Tantalizer."  
Mary McAndrew: "Aw, nuts!"  
Fern Holroyd: "Had a date last night."  
Dot Nobles: "Oh, I can't do that."  
Marjorie Nevil: "Oh, oh!"  
John Cannon: "What is it?"  
Milton Briggs: "How about a smacker?"

Marian Lever: "Did ya?"  
Helen Dean: "You did?"  
Fotiney Karcanes: "Hey, cam'er."  
Jo Baker: "Honest?"

### FACULTY FACTS

Mr. and Mrs. Glenn E. Bretsch spent Saturday and Sunday as guests of his mother at Clayton, N. Y.

Mr. Lawrence Host spent the week-end in Canton, N. Y., and attended the Clarkson-St. Lawrence football game.

Miss Gretchen Trenkle spent Sunday at Galeton, Pa.

### GUESS WHO?

This girl that I am about to describe has her headquarters in the Senior home room. She has dark hair, blue eyes, and is of medium height. She is also a good basketball player. This should help you to guess who she is.

She has a chum that you see her very rarely without, and she is also a member of the basketball squad. Put on your thinking cap and her name will surely pop out.

Answer to last week's Guess Who—Fern Holroyd.

### BOE ZECKELY COLUMN

Dear Boe:  
I feel way down in the dumps because the girl I like has moved to Buffalo I don't feel as if I should write to Dot because she was going with another fellow when she left. None of the girls that I like seem to like me very well, so what shall I do? Wondering what to do, I am  
KEN.

Dear Ken:  
I think the best thing for you to do is to forget Dot. The new automobile will help you to gain some girl friends quickly. If this doesn't work, just try to gain their attention. Ask someone you don't like to go for a ride and see how nice some girls are. Anyway, don't worry for I know two girls at least who like you, but they wouldn't admit it. Write again if the car doesn't bring results.  
—BOE.

### CUPOLA PAINTED

Among the improvements to the appearance of the school building, is the painting of the cupola on top of the grade building. This bit of repair work has added materially to the good appearance of the build-

## GENIUS IN EMBRYO

From time to time this column will contain some original literary and scientific thoughts of the famous people of the future.

Contributed from a Science Class: "A Molecule of Air"—Richard Baker

I am a molecule of air. I have been thru most everything and have a long strange story. I have been blown and tossed about in the wind. I have run into buildings, which have hurt me very much. Quite often when I was traveling swiftly by with millions of other molecules, we ran into buildings, trees and everything, knocking them flat on the ground or even carrying them along with us. I have been used to force water into a lift pump. I have helped to cave a tin can in when the air was taken out of it. I have been inside player pianos and helped play them. I have helped to carry sound. I have been down in the lungs of people and found them very dark.

If it were not for the molecules of air, nobody or nothing would be living. We are so tiny that no one can see us. Sometimes we are cold and sometimes hot. If you were a molecule of air, you would not have as easy a life to live as you do now.

The Teacher Raves On  
Edna Honegger

As long as we have air  
Aviators need not despair;  
Now pupils don't get scared  
But breathe air and air and air.  
For someday it cannot be compared  
Harken to your dear teacher!  
Air is free, it doesn't cost a cent,  
So don't get weary, only effort is spent.

Yes, yes, air contains dirt  
But that won't hurt.  
Now, my pupils, sit up! Take notice  
And don't go to sleep,  
And raise your hands if you want  
to speak!

Now where was I? Oh yes, yes,  
What is air pressure?  
Do you know? Are you sure?  
The wind sometimes gets a little  
cantankerous  
And blows down a tree or makes a  
house.

"Air"—Montrose Greene

Air is something you cannot see,  
And how it does work is beyond me.  
They use it on land and use it on  
sea—  
And in submarines to beat their  
enemy.

They use it on land to stop big trucks  
Which get bumped in the back and  
start a ruckus.  
The people that don't use it on doors  
in halls  
Wish they had when baby squalls.  
They put air in bicycle tires and  
such  
But when they blow out they  
Aren't thought of—much!

## !! The Spotlight !!

Your old friend, "The Spotlight" is again on the job, after signing a truce for Armistice Day. I hate to break this truce, but I must let the public know just what our high school students are doing.

It seems that some of our intelligent boys slept all day Monday, for they came to school Tuesday thinking it was Monday. Don't forget next time, boys.

A couple of our P. G. girls like to do a lot of visiting in school. Can't you girls find time enough outside to do this?

I hear that Beatrice K. and James Cannon had a swell time at a banquet in Olean last week, and for once there was enough eats to fill up everybody.

By special request, I would like to ask one of the Freshmen to make himself present at English four class some time soon, and tell the class what the word "phase" means. While you're in there, you might also tell them what the word "inevitable" means.

Thru the Spotlight, there are a certain two girls requesting that Joe Mc. pays off his bets on the football game.

They tell me the English IV Class is going to be in charge of the assembly next Friday. I can hardly wait to see it. I just know it'll be a knockout. Pardon the expression, but that's really what I think it'll be. Speaking of Assembly, I might let you in on a little secret. Dorothy Nobles, Beatrice Sly and Frank Weinhauer are writing the play.

The Trig. Class are getting a petition up to have Mr. McGee tarred and feathered for their having wracked their brains trying to figure out how a fellow knew he had a black spot on his forehead. Find out the particulars of the problem from Mr. McGee and I'm sure you'll all sign the petition.

I see our professional screamer is wearing spectacles. If screaming affects the eyes, there's no great wonder.

I guess Roberta got a close shave last Thursday night. Not in an auto—but in a barber's chair. While on the subject, I might tell you that "Robertie" went to Allentown, Pa., for the week-end.

Talk about being all hot and bothered! Rita Burns sure was mad when Joe very nicely put a few ink spots on her coat. We take it that Joe prefers polka dots.

Don't you guys and you gals forget the Senior candy sale Friday-of-all-the-land. The candy is the best of the bestest. Yow sah!

Flash—Flash—Charlotte Cook was seen at the show in Hornell one night last week with— I'm sorry that I can't tell you with whom, but Charlotte asked me please not to tell that she was with Howard McAndrew. Perhaps you can find out for yourselves.

Who's the girl friend who furnishes the pumpkin pie, Philip? Um—How I do like pumpkin pie!

Well, John Cannon, who's responsible for your having so many phone calls lately? I just wonder if we would be safe in laying the responsibility on a Baker girl from Canistota.

Oh—What's that generation coming to? Most anything, when the young ladies hold meetings with their gentlemen friends in the library the seventh and eighth periods. The big He-Man Edwards sure is doing himself up big with the little lady Schoonover.

### THE SPOTLIGHT

—A-H-S—

Home-town boosting is infectious; it spreads fast. It often keeps a community out of a rut. Boosting gathers momentum as it goes along. It gives pleasure, satisfaction, and experience. It broadens the vision, destroys selfishness and makes everyone see the brighter, happier side of community work.

## GREENWOOD

(Mrs. H. C. McCaffery, Reporter)

### Greenwood Votes in Favor of Centralization

At a special election held in the Masonic Hall Tuesday afternoon, it was voted to organize a central school district as laid out by the Commissioner of Education. Of the votes cast, 208 were in the affirmative and 128 negative.

The meeting was called to order at 1:30 o'clock. Leonard Dennis was elected chairman, M. L. Brundage clerk and Orville Matthews, assisted clerk. Tellers appointed by the chairman were Ory Freeland, Owen Dennison, Ralph Wilcox and Vincent McCormick. It was voted to vote by the secret ballot and the polls were allowed open until 4:30 p. m. The nominating committee for members of the new Board of Education as appointed by the chairman was John Rogers, Jr., Mrs. George Rollins, Miss Emily Barney, Matt Rogers and Clarence Slaght.

Following the election, the nominating committee reported and the Board of Education for the new central district as elected is: M. L. Brundage, Dist. No. 2, for five years; Lester York, Dist. No. 11 for four years; George Rollins, Dist. No. 10 for three years; Matt Rogers, Dist. No. 9, for two years; R. P. Holly, Dist. No. 2 for one year.

### Mrs. Cheesman Passes Away

Mrs. Lottie Cheesman, aged 75 years, for many years a resident of this place, passed away Saturday at the Bethesda hospital in North Hornell. She underwent a major operation Saturday morning from which she never rallied.

Funeral services were held at the home of her brother in Lawrenceville, Pa., on Monday afternoon.

### New Arrival
