At the joint meeting of the Phila-thea and the Mary and Martha class of the Baptist church, held at the home of Mrs. L. M. Trowbridge last Friday evening a very enjoyable time was reported. The Young Women's Friendly Class of the M. E. church met at the church and packed boxes for the shut-ins. At a recent meeting of the class the following officers were elected for the coming year: Mrs. Margaret Northrup, president; Mrs. Ruth Nottingham, vice president; Mrs. Reta Myers, secretary; Mrs. Lulu Emery, treasurer; Mrs. E. Accident statistics of the Bureau of Motor Vehicles for the first nine months of 1935 show that in this State 30,533 serious traffic accidents occurred in daylight, while at night there were 18,934. The daylight accidents caused 797 deaths, while the accidents at night only half the number of daytime mishaps—were responsible for 891 deaths. It is estimated that four-fifths of all traffic is in the daytime, but the fatalities after sunset greatly exceed those occurring in the hours of daylight.

Mrs. Mary Driscoll, Mrs. Earl Dawson and Mrs. E. A. Mullen gave Miss Madalin Walsh a farewell card party and shower at her home Monday night. HY-LITES from the Red and White

A recent survey by the Saturday Evening Post showed that only about ten women out of every 100 interviewed could remember the price they last paid for commonly used grocery items—yet millions are spent annually on price advertising.

Many women said clean stores, courteous clerks, quality merchandise influenced their buying more than price.
