We are pleased to announce that we have purchased and taken over direct management of the former Brown and Bailey Dairy Plant, located in Andover, New York.

We are interested in taking on any and all New York City approved milk. Any Dairymen who are not now approved for New York City and who wish to ship to the above mentioned market, should get in touch with us for the necessary information and co-operation we will be able to give them in arranging for the necessary approval by New York City Dept. of Health.

We are offering a permanent market and will take all New York City approved milk consistently thruout the year, regardless of flush periods.

We are guaranteeing \$2.20 per hundred for 4 per cent milk for the entire month of December, 1935 and the entire month of January, 1936.

Checks will be issued twice monthly, on the 10th and 25th, and will be paid thru your local bank, The Andover National Bank.
