CHRISTMAS SEALS SALE AGAIN

Health Christmas seals are on sale again. These little squares of red, green and white with their greetings of Christmas cheer have become most as much a part of Christmas as Santa Claus and evergreens.

In Allegany county the seals are sold by the Allegany County Public Health and Welfare Association. This is a private organization and should not be confused with the tax-supported Department of Public Welfare of Allegany county.

Letters containing one or more of these seals, 100 seals to the sheet have been mailed from the county office of the association. Each letter carries the appeal to buy the seals which sell at \$1 for each sheet of 100 seals.

The money received is spent in Allegany county for the benefit of the sick and needy in Allegany county except for a small percentage of each dollar which goes to the state and national organizations to be carried over the work throughout the state and nation.
