Crop Insurance Plan

THE Federal crop insurance idea is worthy of the not new.

Congress has definite precedent and experience on which to base its consideration of the matter. of at great loss, much of it being given to China. Curtailing of production under the present administration caused a boomerang to the best interests of

ers' market to the benefit of foreign trade in farm proweighed and considered from every angle that further forms, so the Resurrection of Christ is a pledge to

The old timer who formerly hid his money in h sock today is lucky if he happens to have a sock.

Many a young hopeful expects his father to give in life, and then keep on furnishing the motive power

People who have a good opinion of themselves and. wish others to have the same, generally keep it themselves .. - -----

When is comes to solving the world's problems. perepiration makes the best solvent we can think of

There is no mention in Scriptures of Easter as a special day of celebration, nor of any other special holy day. But the fathers who built up the church the president, but the basic principles of the plan are "Eastre," the Anglo-Saxon goddess of Spring, came to be, as an early church historian wrote, "observed with the gladness of a new solemnity," and the old name has become the English name for the festival which in, the Hoover regime, a farm board was brought into other languages has a name derived from the Jewish effect was the result and the great surplus was disposed But in all languages it signifies the most sacred and

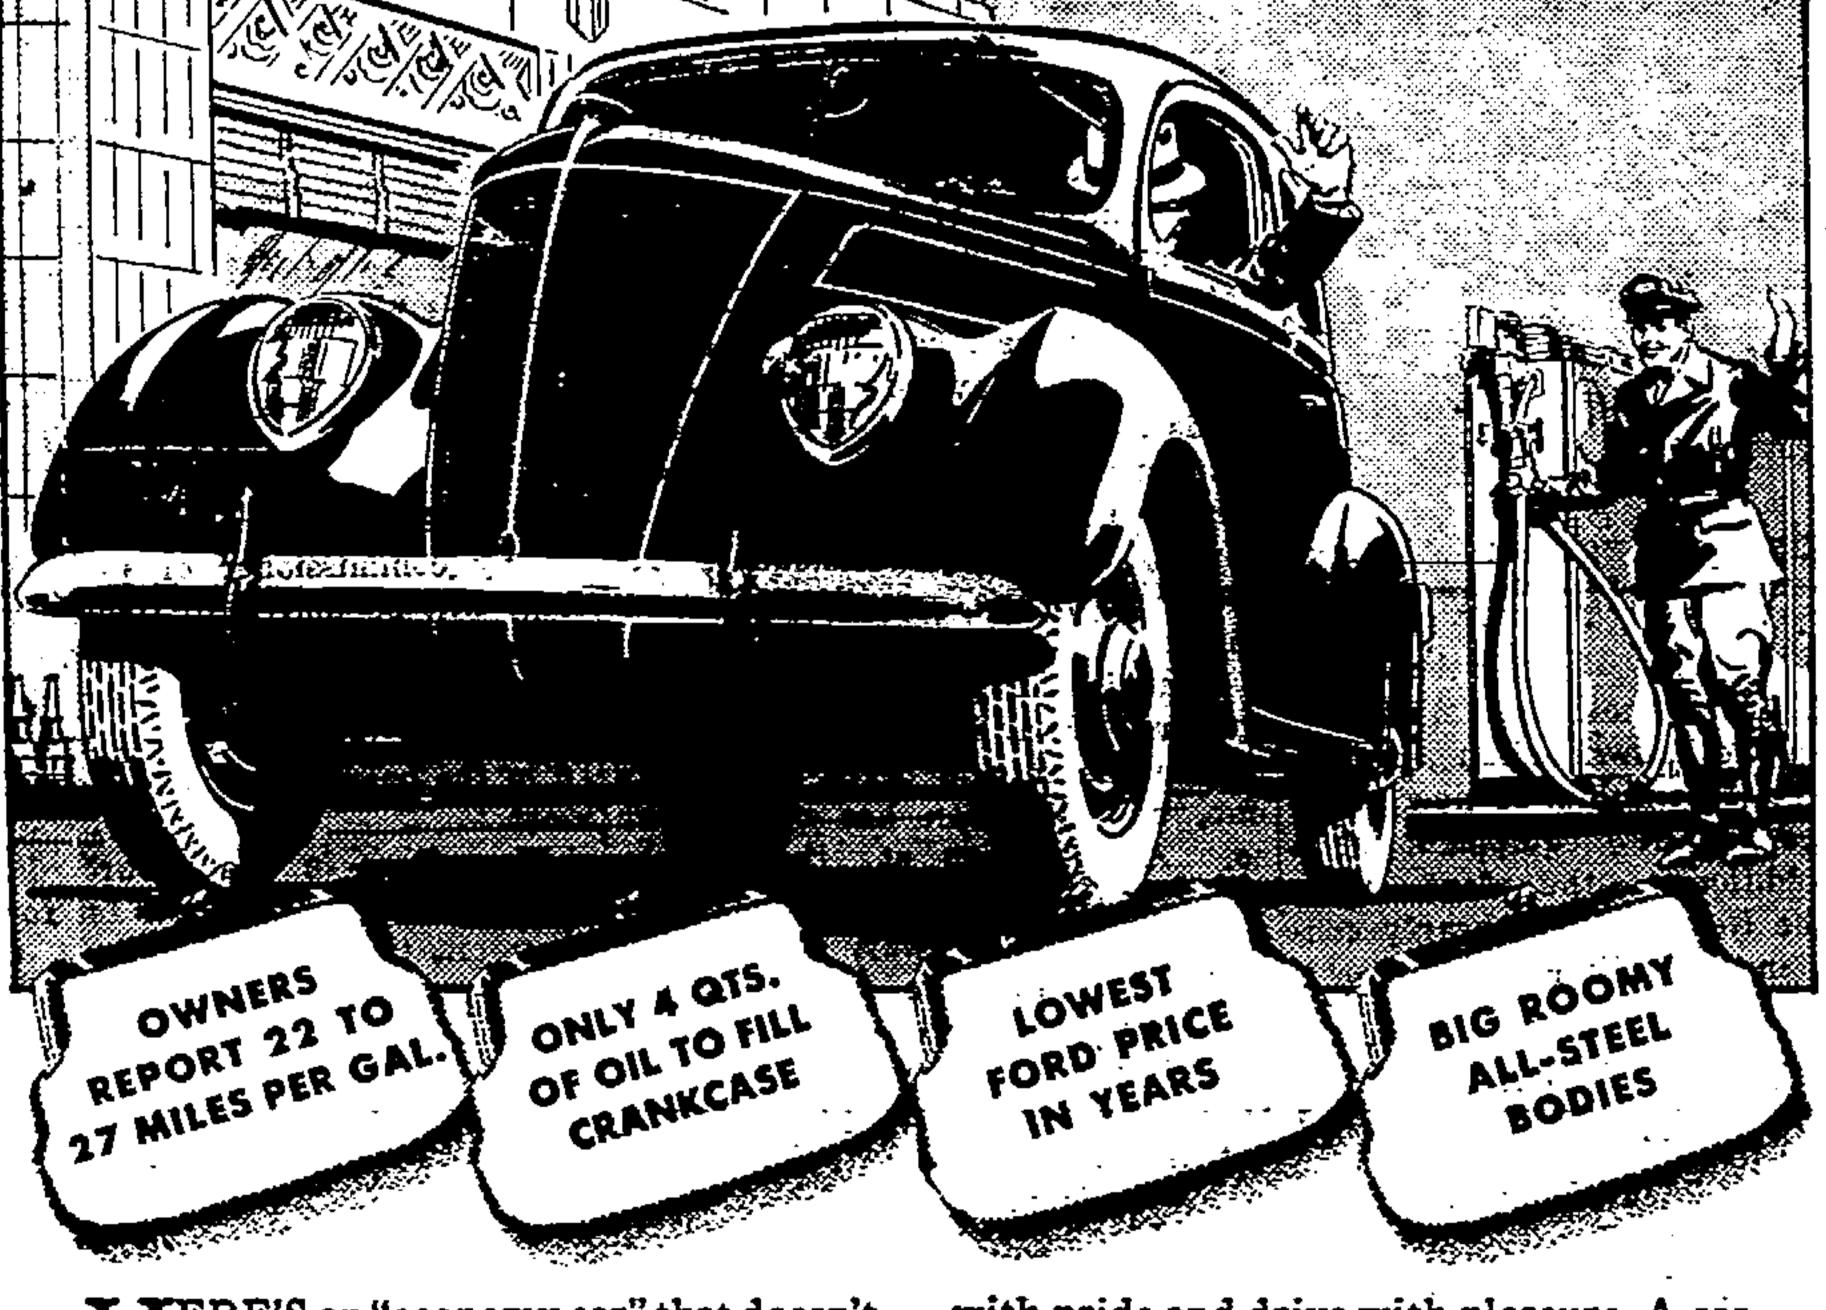

The significance of Easter is the hope and promise which the resurrection of our Lord holds for everyone, the farmer when drought and unfavorable natural con- of ternal life for the human soul and spirit. Just as ditions stepped in to take its toll of the well laid plan, the return of the sun from its winter hibernation in threatening a food shortage and destroying the farm-the South has brought to all peoples in all times promise and evidence that life does not end when grasses wither and trees shed their foliage at the advent of So the crop insurance plan should be seriously Winter, but continues to manifest itself afresh in new haphazard methods may not be brought into play which every faithful believer in Him that they, too, shall not will be detrimental to agriculture instead of beneficial.

he thinks he gives in because he is chivalrous

What the average woman wants is a strong, inflex-

The Promise of Easter

most serious consideration in the purpose that is founded upon the teachings of Christ wisely encourhoped to be accomplished. The big question is whether or not the plan proposed is sound in its measures. New angles have been brought out on the subject by ism. Thus it came about that the old festival of being and surplus grain was bought and stored in lieu passover. The Germans call it "Pass," the French of raising and stabilizing prices. Exactly the opposite "Paques," the Italians "Pasqua" and the Welch "Pasg." the most joyful of Christian festivals.

TERE'S an "economy car" that doesn't L L cut you down on size, comfort, or safety. The new Thrifty "60" V-8 is as big and roomy as the brilliant "85," with the same big new luggage compartments. You get the same all-steel structure, with-Safety Glass throughout. The same new quietness and beauty. The same easyacting, quick-stopping new Ford brakes. And it's a real performer! Like most

cars, it bows a bit to the brilliant "85" in

pick-up and top speed. But you'll be

amazed at what it will do just the same.

with pride and drive with pleasure. A car that will save you not just pennies but dollars! A car that's built so fine, and priced so low, you'll have to drive it to believe it exists! YOUR FORD DEALER

THE THRIFTY "60"

The Quality Car in the low-price The Thrifty "60" is a car you'll own field at the lowest price in years!
