## " PENNY for your thoughts"-how often have you, A heard that expression?

such quiet rebuke from a friend when you are "lost" 1. to everything about you. Yet, how many of us waste much valuable time 1. with "penny-for-your-thought" thinking? ter he will be able to reach the goal in life which he borhood of \$1,755,250.

But he is selfish if he thinks only of himself and a thoughts with the place where he lives. And when he thinks of the community where he lives, does he think constructively or destructively home town, or does he visualize in his thoughts only abject failures for every public enterprise that is at-

nree that are ahead. This community needs the former class and none, of the latter. Men and women, who believe in this .

### TT IS not uncommon for people to remark that makes no difference what others think." But it)

·----

action, are the ones who put us on the map.

does make a difference · a big difference A community is a collection of people. This state is a rollection of cities, towns, villages radio to discover oil deposits. and surrounding countrysides. This country is nothing gether in a single and central government for their! own protection and advancement.

The povernment is dependent upon the States, the states are dependent upon their cities, towns and rural! the people in whose hands rests the future of them all. of radio aid. So it does make a difference what others think, beway the local community, the state and the nation can engine. keep on advancing.

Most of us have the mistaken notion that everywith free speech.
