### LIBRARY NEWS

Carnegie Endowment for Inter national Peace again sends to the library a selection of very worth while and timely books for the International Mind Alcoves.

#### Adult Alcove

"The Spanish Tragedy," by E. A Peers. At a time like this it is a of help to read a book such as the influences which have led the Span ish people to their present impasse. The author asks the reader to "cease taking sides in the conflict and try to understand."
"A Wayfarer in Norway," by S.

J. Beckett. This is quite another type of book dealing with a nation that happily is free from strain and stress. It describes "the spacious and beautiful solitudes of unspoilt nature in Norway"---its fjords and mountains and rugged sea coast. It takes us to its villages, towns and cities and shows us freedom-loving, independent people often in quaint, pictureque settings solving the probleme of modern

"Yang and Yin," by Alice bart. Here we have a book portraying another turbulent and restless This novel was selecte country settle in China and also presents with sympathy and insight the re-actions of the Chinese.

"What the International Labor Organization Means to Ame edited by Spencer Miller, Jr. objective of this organization is to secure social justice in the nations of the world. The foreword of this book is written by John G. Winant, former assistant director of the

L. O., and former governor of New Hampshire. The United States became a member of the I. L. O. on August 20, 1934. This step is of such significance that no American can afford to be ignorant of the cooperative work which is being car-ried on by some 61 nations from the enter at Geneva. In untechnical anguage, this book tells what is being accomplished.

#### Juvenile Alcove

"Denmark Caravan," tells about the trip Nancy, Peggy, Barney and Ben took in Denmark in an auto-mobile trailer which they brought over from America. Sometimes in the little towns they wondered if they would be able to get the trailer thru the narrow streets.

"Pablo's Pipe," a little kitchen boy had to travel all the way to the market on his own feet, he didn't even have a burro to carry him, but he rested when he reached the market and enjoyed playing his pipe Read the book and find out what he did with the pennies he earned.

"Blue Nets and Red Sails," makes ou acquainted with two French you acquainted with two French boys who went sailing and learned

to catch sardines.
"Children of Sunny Syria," is the story of Habeeb, and his sister, who very exciting time crossing Orontes River you know into what famous sea this-

### Interested in Agricultural Conservation Program

Belmont, N. Y., April 17,- Farm. ers of Allegany county showed marked increase in interest and at-tendance at the group of education al meetings sponsored by the Farm uents of Bolivar, recently by Justice Bernard B. Ackerman.

The W. W. G. girls met at the home of Rev. and Mrs. A. D. Shepard Friday night for their April Registry Miss Ida Clair the press.

riculture attended the group of 20 meetings. To date, over 600 have drawn maps of their farms, listed their 1936 and 1937 crop acreages, and decided upon what practices they are going to carry out during 1937, to qualify them for their soil building allowance. All of the above steps are necessary to take part in

the program.

In the immediate future, a printed pamphlet telling how you may take advantage of the program will be mailed to everyone on a rural route in this county. If you do not receive one of these—your copy may be obtained at the Farm Bureau be mailed to everyone on a rural

It is urged by the county committee that each and every one inter-ested file a work sheet as soon as plans will become more definite and possible. After this is done, farm there will be no uncertainty as to how you can participate in the program. Everyone engaged in agriculture is entitled to practice payments, provided they file a work sheet and carry out specified prachow you can participate in the pro-

# A DISH FOR THE WEEK

an attractive dessert for a Sun-day dinner, and one which takes no more time to make than a pic. is peach tarts.

#### Peach Tarte

Make pastry shells of plain Make pastry shells of plain or puff paste, with the inner part a little larger than half of a peach.
When these have cooked, place half When these have cooked, place half of a fresh or canned peach in the center of each. Inside the pit-cavity of the peach, place a few chopped nuts or blanched almonds. Whipped cream may be used on top, if ped cream may be used on top, if esired.

he made by putting a bandle on the To make them, place strips the paste over a quiter pound country This novel was selected for the Alcove because it shows the problems faced by foreigners who problems faced by foreigners who handle into incisions made in the neach. If fresh fruit is used, should be thoroly ripe, and sweeten ed with powdered sugar.

The pastry shells may be made on Saturday for a Sunday dinner With them, suggests the New York College of Home Economics, fricassed chicken, creamed State College chicken gravy, baking-powder bis-cuits, currant jelly, mashed sweet or white potatoes, a crisp green sa ad, milk for the children, and cof
