for yourself!

"S HARD for anyone to imagine a re-

frigerator that works in complete silence.

Even after you have seen Servel Electrolux

and listened to it, this silence still seems a

miracle. Actually it is even more important

than it seems . . . for the basically different

operating method behind this silence is the

reason for the greater years of money-saving service that Servel Electrolux offers. A tiny

gas flame takes the place of all moving, wear-

ing parts! But see this miracle refrigerator

for yourself. Come int
