Mrs. Kirk Ruger is very ill at her home on Dyke street.

Mrs. Richard Harder entertained the Contract Bridge club Monday afternoon.

Installation of officers at Andover Lodge, I. O. O. F. next Tuesday evening, July 6th.

Mrs. W. F. O'Connell entertained the Contract Bridge Club at the Hornell country club, Saturday.

Ralph Williams underwent an operation for removal of his tonsils at Jones Memorial hospital last Saturday.

The Women's Mission Circle of the Baptist church will meet with Mrs. Hattie Eggleston Tuesday afternoon, July 6th, at 2:30.

Edson W. Jenkins, 91, last surviving G. A. R. in the town of Hartsville, died Tuesday evening. A military funeral will be held at the home this Friday afternoon.

Mrs. Robert Dean entertained the A. O. T. Bridge Club at a 7 o'clock dinner at her home on Main street Tuesday evening. High honors were won by Mrs. J. E. Cannon and second high by Mrs. S. B. Scott.

Supervisor Quincy J. Smith of Fillmore, Mrs. Henry Smith of Fillmore and Lloyd Robinson of Alfred were selected as committeemen from the farm organizations on the general committee for the Farm and Home Bureau annual picnic to be held August 12th.

Donny Mulconery entertained 14 little guests in honor of his fifth birthday Monday, from 2 to 4 o'clock. Games comprised the entertainment. At the luncheon the table was centered with a birthday cake. Master Donny received many nice gifts and a jolly time was reported.

County Chairman C. L. Lathrop of Angelica, was endorsed as a candidate for the Constitutional Convention at a meeting of the Allegany County Republican Executive Committee held in Belmont Friday evening. Delegates to the Eighth District Convention selected at the meeting are Judge Walter N. Renwick, Judge Ward M. Hopkins, Francis B. O'Conner and Ransom L. Richardson.

Mrs. Mary O'Boyle is the chairman for the card party to be held this (Thursday) evening, July 1st, at Blessed Sacrament Hall.

DeForrest W. Truman was elected commander of the Alfred Post, No. 370, American Legion, at the annual election of that post held last week.

Peter T. Cole, 38, of Wellsville, is in Belmont jail awaiting the September Grand Jury on a charge of assault, placed against him by his wife. The latter charges Cole beat her with a club at the Andover pond last Friday.

Steuben county has another murder trial on its hands, as the result of the stabbing at Bath last week. Madestero Rodriguez, 42 and George Troop 38, are held charged with the killing of Edward Gleason, who died from the result of knife wounds in the Salubria Inn affair of last week.

An investigation into the service provided by the Pennsylvania railroad between Rochester and Olean has been closed by the Public Service Commission on the grounds that the operation of two trains proposed to be discontinued are not required, according to the evidence submitted in the investigation. This will leave two mixed trains operating over the route, one leaving Olean at 9:30 a. m., arriving in Rochester at 5:20 p. m., and one leaving Rochester at 5:30 p. m., arriving in Olean at 11:50 p. m.

**Home Bureau Meeting**

The Andover Home Bureau will meet at the home of Mrs. Floyd Hann Thursday, July 8th, at 10:30 a. m., for an all-day meeting, when the lesson on "The Making of Fancy Bread and Rolls" will be led by Mrs. Hann. Tureen dinner will be served at noon. Bring dish to be passed but do not bring sandwiches as rolls will be served by the leader.

Those taking this lesson please bring the following articles: Mixing bowl and spoon, measuring cup and measuring spoon; two round tins and one bread tin; one cup white sugar; 1/2 cup butter, 2 eggs, 8 cups flour; 2 cups milk and a few nut meats. In addition, those who have home baked bread please bring a loaf for testing.

**Firemen's Meeting Friday**

Regular meeting of the Andover Fire Department this Friday evening.

As this is the last meeting before the annual convention, many items of business will be brought up, also other important matters will be discussed at this time.

Refreshments will be served following the meeting. A good attendance desired.

**W. R. C. Notice**

The ladies of Edward Seaman Woman's Relief Corps will hold their annual strawberry shortcake dinner this Friday at the home of Mrs. Jas. Burbank. Members meet at Legion hall at 10 a. m., where cars will be in waiting to convey them to the Burbank home.

**GRANGE NEWS**

C. A. Robinson—Lecturer

The following program was enjoyed by the members of the Grange Wednesday evening, June 30th: The entire Grange united in singing "America, the Beautiful," and "Old Glory."

Prayer by Chaplain Mrs. W. L. Greene.

Reading, "Our Flag," by Mrs. Charles Robinson.

Song, by the Grange, "Tenting on the Old Camp Ground."

Each member responded to roll call by telling how and where they would like to spend to vacation.

A playlet, "Mary's First Visit to the Attic," by Mrs. Howarth and daughter, Catherine was greatly enjoyed by all.

William Pease gave a report of the recent Dairymen's League meeting at Syracuse. Clifford Burdick also gave a report.

Reading, "When I Salute the Flag," by Mrs. H. S. Thorne.

Reading, "Aliens in America," by Charles Robinson.

**SCOUT ACTIVITIES**

Boy Scout Troop No. 42 of Andover wishes to thank everyone who had a part in making their recent benefit show a financial success.

**Pease-Richey Reunion Held at West Greenwood**

The 28th annual reunion of the Pease-Richey families was held Sunday, June 27th at the West Greenwood Grange Hall. Seventy members of the families were present from Vermont, Hornell, Big Creek, Howard, Cuba, Scio, Greenwood and Andover.

A delicious dinner was served followed by the business meeting at which the officers for next year were elected as follows: Play Pease, president; Floyd Pease, vice president; Annette Taylor, secretary and treasurer.

A short literary program was enjoyed by those present.

It was voted to hold the next reunion at the same place and time.

**Bradfield, New Soil Man, at Cornell**

An authority on soils and soil technology, who couples practical farm experience with high scientific standing, has been named head of the agronomy department at Cornell University, effective July 1.

Dr. Richard Bradfield, professor of soils at Ohio State University, is the new appointee announced by Dean Carl E. Ladd of the New York State College of Agriculture, upon ratification by the board of trustees at Cornell. He succeeds Dr. T. L. Lyon who retires this summer after having served as head of the department for the past 26 years.

**Notice of School District Meeting**

The annual meeting of the inhabitants of School District Number 1, Town of Andover, New York, qualified to vote at school meetings in said District, will be held at the school house at said District on Tuesday, July 13, 1937, at 7:30 o'clock p. m. (Standard time) for the election of trustees and the transaction of such business as is authorized by the Education Law of 1910 and the acts amendatory thereof.

Dated June 14, 1937.

Board of Education of Union Free School District No. 1, Town of Andover, New York.

ERWIN D. BAKER, Clerk.

**HORSES FOR SALE**

Every horse sold on money-back guarantee. Free delivery. Will take cattle and horses in trade. — HOBART BEYEA, Mgr. HOWARD BRIGGS, salesman.

**WASTINGS**

from

**"Wandering Willie"**

"WALTER BAKER," of the Wellsville Democrat has been having a lot of fun out of his column in the past few years headed "Hissee and Hand Claps," giving the deserving due credit and condemning those deserving condemnation, also any little choice bit of news or happening that he thinks would tickle the funnybones of the readers in general. We thought perhaps that Andover could stand a bit of this, so will try it out.

THE GRASS that has been so sedately waving on Main street in the fair village no longer waves. The final measurement (just before the village employees cut it) stood at 27 1/2 inches, an unsurpassed record for this locality (on Main street) — Now a clear view can be had all the way down the street with no more of the unsightly green standing along the street to wet the feet of the unwary or for small children to get lost in. Let's hope the second crop will not grow so fast.

And while we're on the subject of grass, the athletic field has grown a bumper crop this year. In fact, it has been let grow so high that the nice willow trees planted there a couple of years ago just nicely show above the tops of the grass.

We honestly believe that it would make a fine place to go and set in the afternoon, (any place on the lower side of the place) as reader or chair would not show above the top of the grass.

THE GIRLS' softball team was making a lot of noise a couple of weeks ago and came out for a few practice sessions at the athletic field, but we haven't been able to find out whether they disagreed on managers, captains, etc., or just got tired of the whole thing before it really got started.

What is the trouble, ladies, don't you dare tackle some of those teams that you beat in past years or do you lack a place to play. The buying season will soon be here at the field, but that won't help the ball playing without some practice now.

THERE'S been a little talk around the burg about the Firemen and the Legion boys getting together for a joint celebration this year. Most of those we have spoken to are all for the joining together of these two organizations to put on a bigger celebration and bringing more people here.

Personally we don't see why the two should not agree. If they all had our enthusiasm and R. E.'s gift of handling the English language it would be a wow!

JUST a tip: If you drive into Shirey's garage you better either lock up your tools or set in the car until "Bob" gets thru working on your car, as he is looking for tools this week. Somebody helped themselves to about \$16 worth from the garage bench while the boys were busy outside Monday.

**Dr. Paine New Head of Houghton College**

Dr. Stephen W. Paine, former dean of Houghton College has been elected president of that institution, to complete the term of the late Dr. James S. Luckey. Dr. Paine first came to Houghton in 1934 as an instructor in Greek.

**Notice of On-Premise License**

NOTICE is hereby given that license No. EB7255 has been issued to sell beer at retail in the Corner Restaurant under the Alcoholic Beverage Control Law at South Main street, Andover, Allegany county, New York, for on-premises consumption.

JOHN G. KARCANES, South Main Street, Andover, N. Y.

**Willards** have great cranking ability, . . . and have it to spare!

That is one reason why WILLARDS give such unusually satisfactory service to millions of car owners.

Cranking ability is an accurate measure of Storage Battery Value!

**"CANNING AND PRESERVING TIME"**

is here—and we are ready to supply your various needs for Fruit Jars, Jelly Glasses, Fruit Jar Rubbers and Canniers!

**Fruit Jars**

And we recommend the new wide mouth "Keer Mason Jars"—which consist of two parts; gold lacquered screw band and lid, both the natural gray sealing composition flowed in, and which are not affected by food acids or vinegar—will not corrode and can be used over and over again. No rubber rings are required—the screw bands last for years. They are easy to seal and open and eliminate work, waste and worry. The jars are made of clear crystal flint glass and the wide mouth permits placing hand in the jar to pack whole fruits and vegetables or large pieces of meat. The jars are made in four sizes: half pints, pints, quarts and half gallons. These new wide mouth jars are American housewives choice in fruit jars because—

1. They are easy to seal.
2. They are easy to open.
3. They are always a perfect seal.
4. They are economical for all canning methods.
5. They will last for years.

We also stock the Atlas Easy Seal Jars in all sizes, and the prices are right.

**Jelly Glasses**

In both the tall and low styles at 47c per dozen.

**Fruit Jar Rubbers**

Which always insure a good job of canning at 5c per box or 6 for 26c. Good Luck Rubbers 3 for 25c.

**Canniers**

In new styles, equipped to hold seven jars at one time, popularly priced at 99c and \$1.49. Canning is a pleasure when you can fill your canner with fruit or vegetables and go away and forget it for the time required to complete the job.

We also carry Conservo Cookers, the easiest, most economical canner for cold pack canning. All canniers are designed to fit a single burner on any type of range—which is an added comfort on a warm day.

We stock canning racks for use in a regular wash boiler at the price of 39c, and boilers at different prices, depending on material and quality.

**Leaky Faucets Waste Water**

How annoying it is to hear the constant dripping of water or even a small running stream. Yet how easily and quickly it can be stopped by a rubber packing.

If you have a faucet that is especially hard to keep packed, we have a packing especially for that purpose.
