WAFTINGS

"Wandering Willie"

THE ERIE'S excursion to Cleve land this Sunday is bringing back "old times" to many of the older residents here. About 20 of are all set to take "the cars" About 20 of them the big doings. It seems that if the more people would be acquainted

THE Andover fire boys should all join in and give the Cavuga Hose Co. boys of Depew a rising vote of thanks for the hospitality tendered them at the Dunkirk doings. The over department to then ters and served them all the sandwiches and, er, refreshments they had. Let's hope the Andoverites treat at the first operation will! portunity, and we think they will!

AND while we're talking about July 30.—A daughter, to Mr. and Dunkirk, the young 'uns had a job Mrs. Arthur Vossler of Alma town-keeping up with the older members keeping up with the older members of the department. "Dave" Slocum and Ames Rogers showed the fel-

deeping up with the older members of the department. "Dave" Slocum and Ames Rogers showed the fellows that they could still "take it" when it came to the long marches, as did several other older fire eaters.

THERE were several if's connected with the Dunkirk convention, among the two main ones being IF two more of the men having uniforms had been on hand at the big doings, Andover would have taken the prize of the most men in line. And IF they had been at headquarters a few minutes sooner to regis ters a few minutes sooner to regis-ter 16 of their men they would have taken another \$15 prize. And last but not least, IF Harry Kemp, the tallest member of the Andover department had been just a little taller, Andover would have taken still nother prize.

been paging Supervisor E. A. Mullen about the time the big rain came along they would have found by Frank Encs. They will reside at len about the time the big rain came along they would have found him accorded under a truck, facing the daughter of Mrs. Goldie Jones of original occupants (a pair of oxen) Hornell to Clarence Stubble of Rich-lang with as many of the rest of barra. Mr Stubble is a graduate of the company that could "convent." iently" get under. And did it rain!

JUST to make sure the fire boys all got up in time for the long trip, some wide-awake, generous individual gave a short toot on the fire siren (seven blasts) about 1:20 Friday morning. And it is unnecessary to say that with their minds all made up on getting up early in the a. m., that there was a record trurn-out. The big boy decided that Paul Brooks of Scio. Mr. and Mrs. ual gave a short toot on the fire sirand it was getting awful late about the was going good, so hot-footed it for home.
