LITTLE BITS OF HUMOR

It was the first day of school, and a teacher was enrolling a group of six-year-olds when she came to one lad whose father had quite a reputation for swearing.

"And what's your name, my little man?" she asked.

"Freddie Smith."

"Do you know your a-b-c's?"

"Hell, no!" the boy replied. "I've only been here ten minutes."

The Moving Picture Influence

Wife, to husband, during second inning of second baseball game — "Let's go now, honey. This is where we came in!"

Cat!

Eloise: "I had a quiet little evening alone with a book last night." Vivian: "I'm afraid that's going to happen to me some night too."

Chivalry?

A large man with all the appearance of the typical bully was beating up a man much smaller than himself. Cries for help attracted a passerby who rushed in and knocked out the large man with a single well-directed blow.

"Now, look here, sir," said the small man after he had regained his feet, "I appreciate what you have just done for me, and I want you to take half of this money which I just lifted from this boy."

"So sorry," said the dentist to his client. "It will be impossible for me to arrange an appointment for you until morning. I have eighteen cavities to fill." And he picked up his golf bag and went out.

"A bachelor has nobody to share his troubles."

"Why should a bachelor have any troubles?" asked the married man.

Try this in your spare time: Multiply your age by 2 and add 5 to the result. Multiply by 50. Add the change in your pocket. If less than a dollar. Subtract the number of days in this year. 365. Add 115 for good measure.

The two left hand figures will show your age. The two right hand figures the change in your pocket. Try it!

HELP KIDNEYS To Get Rid of Acid and Poisonous Waste Your kidneys help to keep you well by constantly filtering waste matter from the blood. If your kidneys get functionally disordered and fail to remove excess impurities, there may be poisoning of the whole system and body-wide distress. Burning, scanty or too frequent urination may be a warning of some kidney or bladder disturbance. You may suffer nagging backache, persistent headache, attacks of dizziness, getting up at night, swelling, puffiness under the eyes—feel weak, nervous, all played out. In such cases it is better to rely on a medicine that has won country-wide acclaim than on something less favorably known. Use Doan's Pills. A multitude of great praise is recommended Doan's. Ask your neighbor!
