Serpentina, Live Mermaid With Marine Hippodrome

Of all the countless curiosities that have ever been presented from time to time, there has been absolutely nothing to equal Serpentina, pictured above, from an anatomical or physical peculiarities standpoint. Serpentina is one of the feature attractions with the Mammoth Marine Hipp drame that will exhibit in Wellsville for one day only, Thursday, Sept. 16th, and will be open to the public from 3 p. m. until 10 p. m. The exhibit, on a specially constructed railroad car, will be placed on a siding near the B. & O. Depot in Wellsville. Admission 10 and 20 cents. ADVERTISEMENT

SCHOOL LUNCHES

School days are apt to hold more) charms for younger members of the family who carry their lunches when they are sure of a "hang up" good

Appetizing and nourishing school lunches depend on good planning, a low says the New York State College at school, planning a lunch box home is not difficult. With suc. hot dishes, a sandwiches, fruit, and perhaps something sweet like cooklies or jam sandwiches make a good

> The hot dish at school is prepared at little expense in many rura schools of New York State and Imost every instance the health; of the pupils has improved.

When a hot dish is not served at the home-packed lunch might well consist of the following: A substantial sandwich made whole wheat or white bread or a 'l hollowed Qut and filled with meat, hard-cooked egg, cheese

A succulent food: This may be vegetable sandwich or a fresh vegetable to be eaten raw, such as carrots strips, celery or tomatoes. Milk in some form: A bottle

milk, cheese or custard; if thermos bottle can be carried, hot cocoa or vegetable soups are good (or these may be brought in a sealed glass! fruit jar and heated in a large flat pan of water on top of the school
