Miss Elizabeth Lempges of Bunkirk, N. Y., a recent graduate of Fredonia Normal School, has been hired as an additional first and second grade teacher. An unusually large registration in grades 1 and 2 made it necessary to group these two grades in three rooms. Miss school grade will be in charge of a group of about 25 first and second grade pupils selected according to educational need.

This group is temporarily meeting in the drawing room until more adequate provision for a room can be made. Word has been received that a representative from the State Education Department will call Thursday to discuss the proposed rooms Friday morning. He urged the pupils to maintain high standards for their school in both conduct and achievement.

He mentioned particularly maked in three of pool housekeeping and asked nunits to keep waste name?
