South Hill

(Mrs. Margaret Dean, Reporter)

Oct. 27.—We hoped for improved weather this month, but it certainly has been most inclement, with four snowfalls on its program. Some potatoes were sold last week to the hustling Jew Cos. Hart Bros. of Wellsville were also canvassing the hill.

A. Dougherty, was a business visitor in Wellsville one day last week. Mrs. J. Danther of Wellsville spent Friday on the hill, guests of her daughters, Mesdames A. Dougherty and H. Dean.

Miss Mary and Louis Dean were Wellsville shoppers last Friday. Mrs. Leo Horan and sister, Miss Virginia of Andover, were Wellsville visitors, recently.

Mrs. Tony Dougherty and little sons were Sunday dinner guests of the Daniher family of Wellsville. Mr. Daniher returned home with her for a visit of a couple of days. Vet. Davie of Wellsville was testing cows in this vicinity this week.

Members of the Blessed Sacrament church, Andover, have been for three days attending the services of the Forty Hours Devotion. Mrs. P. J. Byrnes of Wellsville is visiting her nieces, Mrs. Dougherty and Mrs. Dean.

No lagging in the oil field activities. Another of those water wells was shot Monday on the Dean lot. An oil well—just completed on the C. Lynch lot. Derrick up to drill on the Mingus (now E. Schoonover) lot. The power has now been started in the pressure plant.

Election time is drawing near, which may account for the road rumors that are now rife on our hill. From letters received from the road making village attorney, one would think all roads led to Simpkins corner, and to quote his latest: "The road from there doesn't really go any where worth while."

We have wondered the past season where all the east and west traffic goes, if to no place "worth while." The objective of an improved country road (if we know) is to get the farmer out of the mud, giving him good market facilities, not always by following the shortest route which seems to be the object of those random roads being laid out by said attorney.

Again to quote "Second Choice Proposition" would leave our farmers isolated in their respective fields. Now if the county map road is not thought feasible, why not improve Indian Creek road, over which much of the grade could be eliminated, and a greater number would be served. There should be other business activities for Andover's good, to engage the "lively interest" of its Exchange Club, leaving this road question to the dirt farmer.

(Mrs. Ella Millspaugh, Reporter)

Oct. 26.—Last Saturday was a very stormy day. The rain, which began Friday night with a heavy thunder shower, turned into a blinding snowstorm Saturday afternoon, lasting until night. The M. E. Ladies Aid served a 6 o'clock dinner to the Current Event Club Friday evening, in the church dining room.

Both are reported improving.

She was presented with several beautiful gifts and a delicious luncheon was served at 6 o'clock. Those present were Mrs. Willis DeGay, Mrs. Edna French, Mrs. Lester Baker, Mrs. Cyrus L. Travis and Mrs. Ella Millspaugh.

Keeping Father Amused

"Nothin' much."
"Why weren't ye thinkin' of me?"
"I were."

Prof: "That remains to be seen."

Back to Nature
Two colored men were standing on the corner discussing family trees. "Yes, suh, man," said Ambrose. "Ah kin trace my relations back to a family tree."
"Chase 'em back to a family tree" said Mose.
"Now, man, trace 'em, trace 'em — get me?"
"Well, they ain't but two kinds o' things date live in trees. Birds and monkeys, an' you sho' ain't got no feathers on you."

Uncle Ab says the passing of the depression is also shown by the amateur farmers passing back to the city.
