We have never let anybody starve, if we knew Long before the Federal government went into the private and public individuals and organized charities

G-Men As Heroes

IV interest developing among boys everywhere in the of the W. R. C., at the regular meet-Also three brothers and three sis-1 exploits of the "G-Men." There has been a good deal ing of these organizations Saturday ters. Investigation and its chief, J. Edgar Hoover, by politicians, and others who think Mr. Hoover is getting too older ones, are enjoying the skating Wagoner officiating. much publicity. But the net effect of all the publicity on the pond. has been to substitute the law-enforcers for the lawneedy persons from Federal, state and local tax breakers in the hero-worshipping minds of imaginative funds was \$152,416,000 less than in the corresponding youngsters. And that is a distinct gain from every street.

a bit more than a billion and a half dollars, or over is natural that it should tend to emulate those whose \$177,000,000 a month. The lowest month in two years exploits seem to combine the adventurous spirit with was September, 1937, when the relief outlay was \$159,-physical courage. When the only uses of that type of whom youngsters heard were criminals and gangsters, These figures include wages paid to WPA workers, what could be expected but that they would imitate

Now the front pages and the movies no longer play dent children, old age pensions to nearly a million and up the deeds of the Dillingers, but make the courageous a half aged men and women, and state and local relief adventures of their pursuers, the G-Men, fascinating payments to everyone unable to earn a living. The to youthful imaginations. The boys don't all want to total for the year, at that rate, will run above two be policemen, but they do want excitement, action .They are discovering that there is plenty of it in the Uncle Sam certainly takes good care of his de-lives of law enforcers, and in addition, a degree this wide-spread interest in G-Men and their exploits.
