## Whitesville

(Mrs. Ella Millspaugh, Reporter)

Dec. 14—Old Santa is on his way. Just around the corner. Whitesville has had its share of the stormy weather of the past week. Supervisor Harold Bloss was in Buffalo several days the past week. Mrs. Edna French visited in North Bingham last Friday. The Woman's Foreign Missionary Society met with Mrs. Willis DeKay last Friday for the December meeting. The Ladies' Aid Society received about \$45 at their sale and supper last Thursday, which was good considering the wintry weather. Mr. and Mrs. Dewitt Chase and son Robert and wife of Ulysses, Pa., were here Sunday afternoon, calling on B. H. and Alice Robbins. Lee Millspaugh was a business visitor in Wellsville Saturday and in Andover Monday. Gottlieb Pfeiffer, whose wife died a week ago, moved down from the farm last Saturday and will live with his son, Howard, this winter here in the village. Mrs. C. L. Travis, wife of the superintendent of the Borden milk plant, met with a very unfortunate and painful accident last Saturday about noon. In answering a call at the door, she caught her foot under the edge of the rug and fell, breaking her right arm just below the shoulder. She was taken to Hornell where an x-ray revealed a break in the shoulder besides that of the arm. Drs. Stewart of Hornell and Taylor of Whitesville cared for the injuries. It happened that she was to celebrate her birthday that after-

noon and the members of her birthday club arrived not knowing of the accident, but with characteristic Travis hospitality, they were not permitted to leave as they proposed to do, so remained and had a most delicious roast turkey dinner ready to serve when she returned from Hornell. She received much sympathy and many lovely gifts, but has an injury which will require many weeks to heal. The Christmas season will be celebrated in Whitesville M. E. church by Christmas music during the Sunday morning services next Sunday and a union Christmas tree Wednesday evening, Dec. 22 at the church. Santa Clause will be present to greet the 100 or more Bible school students and all will receive gifts. Come and meet Santa.

## Sentinels of Health

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of waste. They constantly produce waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. The very first warning symptoms are persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feet tired, nervous, all worn out. Frequent, scanty or burning passages may be further evidence of kidney or bladder disturbance. The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Labels on Doan's, sold at all drug stores.
