unfermented grape juice. Because this product is not made from the type of grape produced on the west coast, the probable production the eastern states is far more portant to New York growers than 's that of the United States."

Autry, singing Western star, is seen in his latest outdoor adventure film, "The Man from Music) Mountain," which heads the offering billed at the Andover theatre for Friday and Saturday.

Autry is seen at his athletic, musical best as the Westerner, who, altho he likes to sing, is just as handy with his six shooter, as he is with his voice. His adventures carry him n and out of a series of plots and lescapades, until in a thrilling climax, he manages to outwit a gang of desperate criminals.
