## DO YOU OVERSLEEP?

What a temptation it is to take a snooze and forget your job. What you need to jar you is a speaking Alarm Clock—one that rouses up your voice and jangles. You'd be surprised what a lot of pep you may own for less than a dollar, while for \$1.65 you have the correct time and have an alarm that means real business when it rings.

We also have Big Ben, Westclox Hummer, all moderately priced.

## THERMOMETERS

We are always interested in the weather and the temperature—and want to tell you that we have a line of Thermometers that will give you the correct temperature at glance. They are good looking and therefore add to the appearance of any room or porch. Price 35c.

## WINTER LUBRICATION

Your engine needs oil at the instant of starting, perhaps more than at other time. Be sure that your oil flows at low temperatures. Use us at \$1.00 per two gallon can.

## SHOES LEAK?

Use "Neatslene," a waterproofing of all kinds of leather. Shoes properly treated will keep your feet dry and will last longer.

## SHOE SOLES

Get all sizes—for large and small—at 5c.
