Andover Not Damaged By

Voorhees Hill Causes Much Inconvenience to Local Residents.

Last Sunday's sleet storm brought lback vivid memories of the devastating storm of March 16 and 17, 1936, and caused much uneasiness for fear of a repetition of that

The ice and sleet formed all thru the afternoon and at 6:31 in the evening our electricity went off and I candle power in another form was the order of the remainder of the levening. However, the storm cleared before trees and shrubs were weighted down to the breaking

A gang of Niagara Power company workmen arrived in Andover about 9 o'clock and after following the line back over the hill found the trouble on top of Voorhees Hill. A number of the fire boys spent lout of order at night, as a matter
