Let's Wear Our New Easter Bonnet and a New Smile!

That long awaited Easter vacation as come and gone. We are all ack again at school. When we ame back after New Years we were talking about new resolutions and amendments to our daily lives Why not some new resolutions after Why not some new resolutions after Easter? Easter heralds in Spring with all its new life and its com-plete change from the bleak season of winter, Isn't that a sign we should put away all our pet hates winter, Isn't that a sign we played first base last year and will be in the same position this season. In the managed the home and prepared food.

CLYDE BRIGGS is a Senior. He played first base last year and will be in the same position this season. Clyde's hitting put him in third place on the team last year.

MONTROSE GREENE played in the same position that the fact of the following put him in third place on the team last year.

MONTROSE GREENE played in the same position the team last year.

MONTROSE GREENE played in the same position the team last year.

MONTROSE GREENE played in the same position the team last year.

MONTROSE GREENE played in the same position the team last year.

MONTROSE GREENE played in the same position the team last year.

MONTROSE GREENE played in the same position the team last year.

MONTROSE GREENE played in the same position the team last year.

MONTROSE GREENE played in the same position the team last year.

Can't we just forget in this new can't we just forget in this new joyous season that someone of our fellow students did a mean trick ence last winter? Can't we just forget that there is nothing for us to do that is worth while at school? just He is also a Senior. Can't we brush aside all those lazy aluggish habits of study? Most of elnovish habits which will encourage classmates in the hall, in the study hall or in the

Who Will Win a Certificate First?

Members of the two typing class are starting speed tests now which may earn for them a competent typist certificate. These are ten minist certificate. These are ten min-mute speed tests conducted once or twice a week in special material obtained for this purpose from the Gregg Writer, one of the business magazines. Those students who magazines. Those students who write 30 words or more a minute write 30 words or more a minute with five or less errors are entitled to a certificate, showing the number of words a minute which have been written. We have any number in the two classes who should qualify for certificates. Watch your paper to see who is first and who obtains the highest speed.

Senior Interview

What is your full name?

What is your full name:
Bethel Fay Millspaugh.
Where and when were you born?
January 4, 1922 in Whitesville,

What subject do you like best?-

What subject do you dislike?lone in particular.

What is your favorite recreation

Hiking.
What is your favorite sport?-

Basketball. What is your favorite movie?-The Citadel."

What is your favorite popular ong?—The Masquerade is Over. song?—The Masquerade is Over. Who is your favorite actor and actress?—Wayne Morris and Sonja

What kind of car do you like

what kind of tar do you had been set?—Oldsmobile.

What do you want to do after eaving school?—Train to be a

leaving school?—Train to be a nurse.

Bethel is one of our best liked Senior girls. She is a member of the Hi Herald, the Dramatic Club, Girls' Chorus and she took one of the leading parts in last year's Junior play. Altho she did not have a part in the Senior play, Bethel was an excellent prompter. We know she is serious about wanting to be a nurse and we hope her ambition is fulfilled.

Junior Girl Takes Trip

Vivian Conners, a member of the Junior class, took a trip to Ohio during Easter vacation. Vivian wrote the following account of her trip and her visit to a large school:

During my Easter vacation, I visited my sister in Alliance, Ohio and attended school-for a half day with my niece, Norma Jean Rardon, nown by some of the students here

known by some of the students nere.

She is a Sophomore.

Alliance is a large city and the high school covers a block in the heart of the city. It is a large brick structure with many halls and

I will attempt to give you my impressions of school as it is carried

on there.

We arrived at school at about 8:15 and, after putting our coats in the locker, went directly to one of the Sonhowers the control of the contro Sonh the second floor. There is no loit-ering in the halls. If there were many pupils standing around, it would be almost impossible for anythe second floor. one to get thru, for there are about 1,200 high school students there. A 1,200 high school students there. At safety patrol, made up of some of the high school boys, patrols the halls and see that the pupils are all in their homerooms before the bell rings at 8:30 for them to go to

their first class.
