HELP STOMACH DIGEST FOOD

Without Laxatives and You'll Eat Everything from Soup to Nuts

The stomach should digest two pounds of food daily. When you eat heavy, greasy, coarse or rich food, or when you are nervous, hurried or overeat, your stomach often fails to do its job. You feel bloated, gassy, or you have flatulence, heartburn, nausea, or sour stomach. You feel sour, sick and upset all over. Doctors say there is a remedy for stomach pain. It is dangerous and foolish. It takes those little black tablets called Doan's for Indigestion to make the excess stomach fluids harmless, relieve distress in 30 minutes and put you back on your feet. Relief is so quick it is amazing and one 25c package proves it. Ask for Doan's for Indigestion.

There should be no doubt that prompt treatment is wiser than neglect. The Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nationwide reputation. Are recommended by grateful people the country over. Ask your neighbor!

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes, a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder may be burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. The Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nationwide reputation. Are recommended by grateful people the country over. Ask your neighbor!
