#### The American Picnic

For the women, who are often tired of the duli routine of cooking food and washing dishes, the meal eaten at the side of the lake or in the woodland dends. glade has an element of novelty, and it also saves labor. Woman's imaginative nature makes the ham The Little White Lie rippling river seem like food for the gods. rough path to some nearly inaccessible spot. But the

ball game. Tho he may not have pitched a curve or may not be so good. run around the bases for 20 years, the itch to swat that i ot be a boy again.

The picnic habit helps us to come closer to nature. the youth into a slippery person. In a world where the shams and shows of things often count more than reality, it does us good to get out Outlet For Friendship among the birds, the woodchucks, and the fish. The picnic habit has one unfortunate result, in the tendency | MOST of us have a relatively small ment. No family or group is fit to enjoy the picnic touch with all the people we like. every last spark of its camp fire.

## Looking at the Queen

HE old proverb says a cat may look at a king. So all sorts and conditions of men and women and daily are personal friends of ours; we like them, and children gazed at the King and Queen of Eng- we don't want them criticized. land as they passed thru our cities. It was the verdict of the crowd that Queen Elizabeth was a lovely person, gifted with a remarkable degree of feminine beau-

What qualities constitute "loveliness"? Regular that impression. But the word seems to go deeper and hecause we think of them as personal friends. express something within the heart and mind. People They are, indeed, the almost-perfect friends. They may lack facial beauty, they may wear ordinary clothes are constantly doing and saying clever things, are rare-doing considerable night patroling fore and after a rest period when half-sister. Services were held at son is lovely. The American crowd said Queen Eliza-that we know them well, yet they demand nothing from days. beth has that quality, and they cheered with a feeling our friendship except the simple cost of admittance Sheriff Brigham issues warning dian Creek and on the road we son near Bolivar. His wife, daugh they had found a new friend.

#### The Business News

HE people are keen to know what events happen in the world and their home town. Among those in new stocks, when they have novel goods, when they ley is 276 feet below sea level. make reductions in price—such things are just as interesting news as the events that happen in Washington or across the water.

home stores are doing to attract trade. If the stores ing wax." "Don't be silly," she remarked. tell about these things in the newspaper advertising, should anyone want to wax a ceiling." they answer the questions that people are eagerly asking, and are rewarded by a flock of people coming to lock at their goods.
