Local Justice Court Has Busy Week-end

Several Cases Brought Before Justice Court In Damage to Train

Andover may have enjoyed a safe Fourth as far as the justice court is concerned, but the justice court has certainly been busy last week.

Sunday afternoon was the worst offense that was committed in Andover. A man was permitted to place a single iron across the Erie tracks below the station, and the same to the track ties. The Erie Limited, through the iron, breaking the engine and baggage car, and placing on the train at the station. Officials say that the train was on a way. While we understand the people have been regarding this, no official action taken to our knowledge. On Monday, Irving Fisher was taken to the State police and Deputy Sheriff Padden. Mr. Fisher struck the right of June 18th with an inflicted, painful injury. Arraigned before Justice Court, Fisher was sentenced pending bail.

The same day, Linford apparently took on too much, going to his sister's home on avenue where he had the furniture and his case up. Just thirty days in the disorderly conduct.

Authorities are also looking up a group of local boys who were questioned on minor offenses, the which was the entering of a home on Dyke. These youths are under a will be turned over to children's court.

L. Spencer

L. L. Spencer died at Alfred Station Sunday morning, June 26, 1939. His death resulted from a cerebral hemorrhage. L. was 66 years of age and a native of the Erie railroad. Surviving are his wife, Miss Nellie Slocum and several nieces and nephews. Funeral services were held from the home Wednesday afternoon, June 28, at 2 P.M. Rev. Edgar D. Alfred officiating and music was furnished by the choir of the Methodist church in the Almond cemetery. Mr. and Mrs. Floyd Slocum, Mrs. Jesse Slocum, Mrs. Halsey and among those in attendance. Mrs. Spencer will have a large circle of friends in Andover.
