HAYING REPAIRS

Haying is well on its way, still you may need some repairs. We have sections, guards, guard bolts and mower shoes for many makes of machines; also scythe and snath as well as wood hand rakes, pitch forks—in fact, any item you might need to help in the haying.

ELECTRIC FANS

Hot weather is right here and a fan will give you more comfort for the amount of money spent than almost anything you can think of. Price \$1.19 and up.

CANNING SUPPLIES

Our stock of jelly glasses and fruit jar rubbers is complete. Remember our fruit jars are of the large-mouth style—are easy to pack foodstuffs in and cost you \$1.45 per dozen for 2-qt. size.

REAPING TIME

We have slats for canvasses, long copper rivets and staples for putting them on, also reel slats for binders. Reel Slats are not bored so they will fit any binder by just boring the holes where they are needed.

POLISHING CLOTHS

Double mesh polishing cloths—ideal for furniture and automobiles, treated especially to render a polish without any injury to the surface. Special this week at 19c.

The price is \$9.00.
