Has Your Seeding Burned Out?

If your new seeding has been burned out by the dry weather, you can get it replaced free of charge.

In order to do this, first you must go to your County Farm Agent and file a claim stating how many acres you seeded this year and how many acres must be resown. Then he will give you an order for the seed required. Second, you must prepare the seedbed and get the seed sown before Sept. 10.

You can only sow this seed on land that was seeded in the spring of 1939.

You have four options as to the amount of seed and the kind of seed you can sow:

- No. 1—12 lbs. of Alfalfa per acre.
- No. 2—8 pounds of Alfalfa and 7 pounds of Timothy per acre.
- No. 3—6 pounds of Alfalfa, 4 lbs. of Alsike and 6 lbs. of Timothy.
- No. 4—6 pounds of Alsike, 6 lbs. of Timothy and 3 lbs. of Red Top.

The amount and kinds of seed sown must correspond with any one of the above options. When you get your seed you sign a receipt for it, the bill is sent in to the County Agent and the check comes direct from them to the dealer. You do not have to pay for it, nor look after the payment. Come in and let us tell you more about it.

WOODCHUCK SEASON

Most of the hay is cut and it is a good time to walk thru the fields hunting woodchucks.

We have all kinds of rifle cartridges to fit your guns and from 20c for a box of .22 shorts up, according to the kind.

When you get home from that hunting trip you should clean up the gun before you put it away, and we have Gun Oil and Cleaning Rods for that purpose, the use of which will keep your guns in first class condition.

GRANGE NEWS

Edith M. Thomas, Lecturer

The theme, "The Big Job of the Grange," was discussed at the meeting Wednesday night. Important Grange principles were brought out by using each letter of Patrons of Husbandry. This showed the Grange to be a fun-loving family organization, which by its ritualism based on and replete with nature bound its members into a strong brotherhood, devoted to God, country and youth, which by its unity of action has served rural America for over 70 years, ever promoting those things that brought the greatest good to the greatest number, advancing agriculture thru abundance rather than scarcity; advocating the American market for the American farmer. An organization which has become a strong national institution gaining a reputation for itself of clear thinking and sound judgment.

The following program was presented: America the Beautiful—Mass singing.

Dairy Problems and Their Solution—A discussion.

Duet—Dorothy Schoonover, Raymond Lehman, Rose Schoonover accompanist.

Reading, "Within the Law"—Mrs. Victor Hoagland.

Stunt, "The Automobile"—Emily Green.

Song, "Sweeter as the Years Go By,"—The Hoagland sisters and Florence Dodge, Dorothy Schoonover, accompanist.

Tableau, "Grange Devotion," and a song, "Grangers," Hervey S. Thorne, Charles Robinson. Matie Robinson, accompanist.

Poem, "Which Are You?" Matie Robinson.

Poem, "Real Grangers," Nellie Mead.

The next regular meeting of the Grange will be held at the home of Mr. and Mrs. Earl Schoonover. This will be preceded by a wiener roast. The Juveniles are invited also.

New Ruling on Dog Licenses

A new law regarding dog licenses effective June 5th, provides that a dog owner may apply for a transfer of a license from a dead dog to another dog of which he has become owner. The amendment reads in part as follows:

"The owner of a license may surrender the license and tag to the clerk, with an affidavit to the effect that the dog described in the license is dead, and at the same time present to the clerk an application for a license for a new dog of which he

has become the owner, upon payment to the clerk of the sum of 25 cents as tag fee; the clerk shall thereupon issue to the owner of the original license a new license with tag covering the dog described in the new application, indicating on the new license the original license number with the word "transfer." The license with tag surrendered must be returned to the commissioner with the clerk's report."

This transfer is to be made regardless of the sex of either dog. The transfer is accounted for on the report on the line indicated for transfers, and may be issued by any clerk regardless of whether or not he issued the original license. The affidavit is to be kept on file by the clerk.

HELP STOMACH DIGEST FOOD

Without Laxatives—And You'll Eat Everything from Soup to Nuts
The stomach should digest two pounds of food daily. When you eat heavy, greasy, coarse or rich food or when you are nervous, hurried or have indigestion, your stomach often pours out too much fluid. Your food doesn't digest and you have gas, heartburn, nausea, pain or sour stomach. You feel sour, sick and upset all over. Doctors say never take a laxative for stomach pain. It is dangerous and foolish. It takes time to make the stomach fluids harmless, relieve distress in no time and put you back on your feet. Relief is so quick it is amazing and one 35c package proves it. Ask for Bell's for Indigestion.
