elares his love for Natalie.

Natalie induces Monty to set out with her in an airplane search for two missing aviators. At dusk Monty lands the plane in the open country, where he and Natalie must pass the night. Resuming the search in the morning, they finally locate the fliers. Natalie wires the story to her paper. That night at dinner, Marion announces a non-stop 'round the world flight, with Monty piloting the new plane, "Sunny Marion." The day before the flight, Monty once more declares his love to Nat.
