Supervisor E. A. Mullen is confined to his bed by illness.

Mrs. John Nobles entertained the L. L. Bridge Club at her home Tuesday night. High honors were won by Mrs. Frank Holmes and Mrs. Ray McGill.

Word has been received by the Board of Education of Andover Central School that three of the new school busses are scheduled to be delivered in Andover this Friday.

Andover relatives received word of the birth of a daughter, Elizabeth Anne, to Mr. and Mrs. Raymond O'Boyle at Tuller maternity hospital, Wellsville, Wednesday, August 9th.

A freak storm struck a small area near Scio last Friday. The storm which lasted but a few minutes, broke off a power pole and tipped four others. The high wind was accompanied by torrents of rain.

Mr. and Mrs. Charles Robinson entertained a party of 25 relatives and friends at dinner Monday in honor of their son, Harland and family at Mr. and Mrs. Roy Holder from Baker, Mont.

Donald Seamans, Bolivar, 18 years of age, was sentenced and taken to the Elmira Reformatory last week for an indefinite term on a charge of violation of parole. The youth has been arrested several times and paid fines of \$10 and \$50 in the town of Willing.

Miss Marjorie Wilson of Cassada has been engaged as Allegany county children's agent, under Dr. Ivan G. Howe, commissioner of public welfare, to succeed Miss Dorothy Allen of Rochester who has accepted a position in her home city.

A large barn on the Cary Dennis farm near Pike, with a team of horses, several tons of hay, 200 bushels of oats, and a quantity of machinery including a threshing outfit which was being used in the barn at the time were destroyed by fire last Thursday. Men working with the threshing machine say the fire started in a mow in the barn from an undetermined origin, which was all afire when noticed.

The Mrs. E. Gallagher house is receiving a fresh coat of paint.

The Greyhound Bus Company has petitioned Hornell for a franchise to extend its bus route to include that city.

D. O. Snowden fractured the bones in his foot last week when he caught it in the wheels of a machine on the Messer Oil Co. lease at A-lentown.

One of the biggest wells in the Sharon field was drilled in last Thursday by the Empire Producing Co. The estimated flow was between 40 and 60 million feet of gas.

The Fillmore American Legion Post have purchased the building known as Merville's Hall on School street, in that village and will remodel it into a modern Legion home.

Notice has been given by Postmaster Farley that by a special stamp will be issued Sept. 25 to commemorate the 300th anniversary of the introduction of printing into this country.

The Alfred Sun tells us that this year has broken all former ones in the yield of 37 acres of oats at the School of Agriculture farm in that village. The yield averaged over 50 bushels to the acre.

Robert B. Davis, Houghton, and Warren H. Bennett, Fillmore, were fined \$25 and sentenced to 90 and 60 days respectively in Monroe county penitentiary, when they pled guilty to a charge of stealing chickens from a Rushford farmer. Donald D. Marriott of Fillmore, also implicated was given a \$50 fine, 30 days suspended sentence and must make restitution for chickens he had stolen.

Mr. and Mrs. Charles Ruger and son Stanley and Mr. and Mrs. Charles Hoard, Mr. and Mrs. Clayton Burger and son Richard, Mrs. Florence Slocum, Mr. and Mrs. Harold Emery and son Donald, Mr. and Mrs. Carlyle Myers also Mrs. Shirley Tanck of Wellsville enjoyed a picnic supper on the Ruger lawn Saturday night in honor of Mrs. Ruger's birthday.

A runaway team hitched to a hay rake did \$170 damage to an automobile which they ran into near Belvidere last Thursday. The owner of the car, upon seeing the team coming, had stopped his car and gotten out before the crash. The windshield and glass in the doors were broken, fenders badly damaged and bumper ripped off. The driver of the team, who was thrown from the rake when the team started received minor injuries and the horses were unhurt.

Leland Armstrong, son of Mr. and Mrs. Reuben Armstrong of Alfred, who with his parents, was passing the vacation at Conesus Lake, is receiving much praise for his bravery and skill in rescuing Warren Kling of Rochester from drowning last week. Kling, who was unable to swim, went down in 25 feet of water while in bathing. Mr. Armstrong fully dressed, rowed to the spot and succeeded in bringing Kling to the shore where respiration methods were used to revive him. It was claimed by witnesses to the accident that only the courage and quick thought of Mr. Armstrong saved Mr. Kling from drowning.

Charles Gleason is driving a new 1940 Packard sedan.

Mr. and Mrs. Glenn Cooper and family have moved from Church street to Independence.

Mr. and Mrs. F. S. Potter received word that their granddaughter, Miss Dorothy Sudborough, has resumed her work after a week's vacation passed at Cleveland, Ohio.

The contract for the reconstruction of .54 miles of the Belmont-Transit Bridge-Angelica road has been let to the Hornell Construction Corp., at the bid of \$79,201.40.

The Relief Corps members will hold their next regular meeting at the home of Mrs. L. M. Trowbridge, Wednesday afternoon, August 30th, at which time the August birthdays will be observed.

The ladies of the Methodist church have been busy the past few days redecorating the church kitchen which has new ceiling, linoleum, paper and varnish. The men of the church donated their services.

The Three Link Club met at the home of Mrs. E. H. Higby Wednesday for their August meeting. There was a good attendance. The meeting was presided over by the president, Mrs. Fanny Lehman and plans were made for their annual bazaar in September, also work was given out. An interesting program, with Mrs. Glenn Ruger in charge, was carried out, consisting of a descriptive travel talk by Mrs. Harold Hardy; music and a reading by Mrs. Grace Wagner. Refreshments were served by Mrs. Higby and her assistants, Mrs. F. S. Potter, Mrs. Claude Loucks, Mrs. Louis Howe and Mrs. Darwin Lehman.

Mrs. Alice Baker was soloist in a 50-piece symphony orchestra at the Maple City Park, Hornell recently. It was one of the outstanding features of Hornell's field day an annual benefit for the Hornell Welfare Association.

Lawrence Cocoman brought a 20 1/2 inch brown trout into the News office this week, which had died due to the extreme lowness of the water in Dyke Creek. This is the second large trout taken from the creek near the Conley bridge recently.

Baker's Hardware News

Famous Pyrex Flameware and Ovenware

Crystal clear glass enables you to watch the cooking without lifting the cover. This gleaming glassware brings new beauty to the kitchen. The smooth-as-ice surface is easy to clean; it is non-porous and does not absorb grease or strong odors. Pyrex Ware is made to use over an open flame and in the oven with perfect safety. Pyrex absorbs more radiant heat and that is the secret of faster baking and tastier foods. It bakes evenly, browns perfectly, saves time work and dishes. Pyrex keeps foods piping hot and serves foods with that luscious wholesome appearance that only an undisturbed dish can have. Pyrex never grows old—will not warp, bend or discolor. We have a brand new

assortment of Pyrex Ware, at brand new low prices—and we urge you to come in and look over our table display at once. You will marvel at the economy you will exercise in using Pyrex.
